that whatever presented by us are absolutely correct Obviously not We try to represent our aspirations in writing during several instances We also try to remain stick to rules related to speeches All the time our representations may not be grammatically correct Dialects of American origin are considerably different than compared to that of European origin Our communicative represents an admixture of both the dialects by part Font size of some of the practice papers are kept small for ensuring accommodation of the material of large volume Students of higher class can explore them with an ease They may not feel any specific problem while moving through content areas Resource Centre Arabinda Nagar Bankura PIN 722101 W B Attn Chandan Sukumar Sengupta *UPSC, PSC, SSC, RRB, Banking Examinations English Communicative Part VI* Chandan Sengupta, English Communicative is the set of curriculum implemented by different boards of studies to avail a balanced curriculum to be followed by students of such boards of studies These sets of curriculum cover up some of the general streams of studies which are common in terms of the studies of Grammar This set of worksheets and activity resources are meant primarily for students of Grade VI and are prepared accordingly for availing some background study materials to the fellow students Some of such materials are from the conventional study materials prepared by different schools of well repute Our main objective is to cover up different topics specified for the fellow students of the particular level of study Some fundamental questions often strike our mind Do we speak English properly Do we write a passage properly Do we always remain aware of the rules related to speeches while speaking Do we always claim that whatever presented by us are absolutely correct Obviously not We try to represent our aspirations in writing during several instances We also try to remain stick to rules related to speeches All the time our representations may not be grammatically correct Dialects of American origin are considerably different than compared to that of European origin Our communicative represents an admixture of both the dialects by part Font size of some of the practice papers are kept small for ensuring accommodation of the material of large volume Students of higher class can explore them with an ease They may not feel any specific problem while moving through content areas Resource Centre Arabinda Nagar Bankura PIN 722101 W B Attn Chandan Sukumar Sengupta **English Ditransitive Verbs** Joybrato Mukherjee, 2016-08-29 The present book offers fresh insights into the description of ditransitive verbs and their complementation in present day English In the theory oriented first part a pluralist framework is developed on the basis of previous research that integrates ditransitive verbs as lexical items with both the entirety of their complementation patterns and the cognitive and semantic aspects of ditransitivity This approach is combined with modern corpus linguistic methodology in the present study which draws on an exhaustive semi automatic analysis of all patterns of ditransitive verbs in the British component of the International Corpus of English ICE GB and also takes into account selected data from the British National Corpus BNC In the second part of the study the complementation of ditransitive verbs e g give send is analysed quantitatively and qualitatively Special emphasis is placed here on the identification of significant principles of pattern selection i e factors that lead language users to prefer specific patterns over

other patterns in given contexts e.g. weight focus pattern flow in text lexical constraints In the last part some general aspects of a network like usage based model of ditransitive verbs their patterns and the relevant principles of pattern selection are sketched out thus bridging the gap between the performance related description of language use and a competence related model of language cognition
