

Community And The Police Conflict Or Cooperation

**Richard E. Farmer, Victor A.
Kowalewski**

Community And The Police Conflict Or Cooperation:

The Community and the Police-Conflict Or Cooperation Joseph Fink, Lloyd G. Sealy, 1974-06-17 Contending that effective law enforcement depends upon cooperation between the police and the public this book takes a critical look at the problems of police community relations and the programs being implemented to resolve them In the process it challenges many of the traditional approaches to law enforcement and offers a new definition of the role of the police The authors both former police officers begin by defining the police and the community They examine the perceptions the police and community have of each other Using personal experiences and anecdotes they develop a portrait of the police recruit and his socialization into the world of law enforcement A study of the diverse facets of the community is included This section provides important insight into the basic problems between the police and the community In part two the authors describe and evaluate the different programs being used to improve police community relations such as community service officers youth patrols community councils and storefronts It is in this section that the important concepts of conflict management and crisis intervention as basic responsibilities for police officers are presented and alternative strategies for dealing with crisis situations are discussed Other important discussions cover stress situations that contribute to police community alienation a more comprehensive approach to the patrol function of law enforcement and the problems of recruiting minorities for police work The document concludes with an in depth discussion of the concept of team policing and its practical application The Holyoke model a plan found to be most effective both from the standpoint of police efficiency and client approbation is examined carefully Document Retrieval Index ,1976 Law Enforcement and Community Relations Richard E. Farmer, Victor A. Kowalewski, 1976 This re examination of the police community relations concept looks at functions of existing programs and suggests ways in which police agencies may use such programs to enhance activities of the entire department A basic premise of this book is two fold that the police must accept responsibility for providing a wide variety of non enforcement functions and that increasing accountability to the community will be a major public concern in the future The positive role that a comprehensive police community relations program can play in any department is emphasized and measures to implement and evaluate programs are stressed Included are numerous case studies which illustrate what happens when line officers practice the techniques of behavioral science Also discussed are two original never before published studies one covering community attitudes and the other the police relationship to social service agencies

Community Mediation Programs Daniel McGillis, 1999-02 Examines developments in the community mediation field over the past two decades reviews the field s major achievements ongoing challenges The evolution of the field the diversification of services major resources available to the field are reviewed research findings dealing with community mediation are also examined Information for the report was obtained from a review of literature in the field an examination of materials obtained from programs across the country discussions with experts in the field site visits to innovative programs in CA NY
