## Como Se Fabrican Noticias:

**Noticias a la carta** Miguel Ángel Vázquez Bermúdez,2006-06 A lo largo de los últimos años se ha consolidado un fenómeno denominado periodismo de declaraciones consistente en la reproducción más o menos literal de las palabras de las fuentes en los textos informativos de prensa radio y televisión Esta práctica se consolida durante la década de los noventa del siglo pasado por una variedad de circunstancias las rutinas productivas de las empresas periodísticas la proliferación de gabinetes de comunicación en instituciones públicas y privadas y el crecimiento exponencial de emisoras de radio y televisión así como la carencia de medios materiales y humanos de muchos medios de comunicación La conjunción de todos estos factores favorece una dinámica de trabajo en la que los medios de comunicación tienen una gran dependencia de la agenda establecida por las fuentes informativas especialmente las que ocupan los lugares más relevantes en la jerarquía política económica social y cultural y construyen la realidad social a partir de las declaraciones pronunciadas por los personajes públicos en actividades organizadas con la finalidad de conseguir cobertura mediática Las fuentes en gran medida controlan el flujo y la cadencia del suministro de información mientras que el periodista se limita a reproducir lo que estas le dicen actuando como un mero altavoz de los poderosos o los personajes de moda dejando así de cumplir la función social de interpretación de la realidad El periodismo de declaraciones al limitarse a trasladar la visión parcial e interesada de las fuentes implica una minoración o incluso una dejación del papel de mediador que ha de tener el periodista Desde esta forma de entender el quehacer profesional la noticia traslada más opinión que información Noticias a la carta aborda con seriedad y rigor un fenómeno que a todas luces se erige como la carcoma del periodismo actual de un periodismo realmente libre e independiente Miguel Ángel Vázquez Bermúdez es periodista y doctor en Periodismo **Leer en español** Alfredo I.
