**The Legend of the Gods** Aaron Hodges,1900 A century since the departure of the Gods the Three Nations are now united beneath the Tsar Magic has been outlawed its power too dangerous to remain unchecked All Magickers must surrender themselves to the crown or face imprisonment and death Alana s mundane life has just been torn apart by the emergence of her brother s magic Now they must leave behind everything they ve ever known and flee before the Tsar s Stalkers pick up their trail Tasked with hunting down renegade Magickers the merciless hunters will stop at nothing to bring them before the Tsar s judgement As the noose closes around Alana and her brother disgraced hero Devon finds himself at odds with the law when he picks a fight with the wrong man The former warrior has set aside his weapons but now caught between the renegades and the Stalkers he is forced to pick a side the empire or the innocent An original epic fantasy book with dragons gods and magic packed with action adventure swords and sorcery by New York Times Bestselling Author Aaron Hodges

**The A to Z of Fantasy Literature** Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature

through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
