Dragon Hunting:

The Dragon's Hunt Jane Kindred, 2017-12-01 Awakened the dragon By day Leo Str m works as an assistant in a tattoo parlor By night Well he isn't quite sure what happens at night He just knows that it's best if he restrains himself Ink is more than just superficial decoration to Rhea Carlisle Her ability to read her clients souls in their tattoos gives her work its special magic and it allows her to see that there's more to Leo than his brilliant blue eyes The passion that kindles between them might be Leo's salvation Or it might be the end of the world

The Dragon's Hunt Lily Winter, An untamed dragon A broken wizard And danger that's no laughing matter Diem Six months ago I didn't believe people could be turned into animals Then someone stuck a needle in my arm Now I've got a dragon inside my head that won't shut up Especially about the bastard who gave the order Gideon For some unfathomable reason my dragon trusts him It's too late for me But my sister's been kidnapped and I've got a chance to save her before she meets the same fate If I can find her in time Gideon can help me Gideon owes me And he's about to find out I'm a force to be reckoned with Gideon For a thousand years I was powerful Esteemed Even feared within the wizarding community One spell wiped it all away The last hundred years is lost in the fog of my memory years I spent as a warlock's puppet I'm useless now No one trusts me much less respects me How can I help anyone much less the wild young dragon shifter who doesn't know when to shut up But for some reason I say yes Maybe it's she makes me feel things I've never felt before Or maybe it's because yes is barely out of my mouth before we're running for our lives

The Silver Dragon's Arc Parker Rainmirror, 2025-09-11 Hatching from his egg was supposed to be the beginning of a grand dragon destiny Instead our silver scaled protagonist wakes up in the middle of a kobold dinner pot himself on the menu With quick wits and a bit of dragon flair he flips the script turning his would be predators into loyal followers But survival is only the first step Armed with a mysterious knowledge vault filled with blueprints for advanced technologies this newly minted Silver Dragon embarks on a mission to build a kingdom unlike any other From taming magical creatures to crafting inventions that fuse ancient magic and futuristic ingenuity his journey is one of trial error and unexpected hilarity Can a dragon fresh out of the shell really juggle kingdom management mythical battles and an ever growing horde of eccentric allies In a world where magic reigns supreme one dragon dares to innovate his way to the top Who said dragons couldn't be engineers

The Dragon Hunter A. C. Fox, 2017-03-10 Kill the dragon or rescue his heart Rycard Serod's band of hunters is in dire straits Deep in the

borderlands overrun with plague starvation and the brutal Boa Visk armies the hunters are out of money out of food and half a continent away from their winter camp with storms close on their heels Their only chance of survival is the bounty Rycard has accepted the largest they ve ever been offered The downside they ll be working for the Boa Visk The other downside they ll be hunting a dragon Luckily they don t have to kill the dragon Just bring him back alive in all his fire breathing magic wielding glory to the Boa Visk who want him for their own dark purposes But when Rycard finally has the dragon in his sights he begins to question his decision The dragon s not only a powerful beast he can transform into a man a beautiful wise honorable man who makes Rycard s war weary heart long for the balm of the dragon s touch Vorgon Graydalon will do anything to keep the humans of his valley safe even if it means war with the Boa Visk But the unexpected arrival of a band of hunters has endangered everything his freedom his people and even his own kind hidden away on their remote island far from the Boa Visk threat He can t understand why Rycard who claims to hunt monsters would take Boa Visk gold to hunt him the one creature who protects the humans But when Rycard forces him to reveal his secret and shift into human form Vorgon cannot refuse There is too much at stake And the way Rycard looks at him makes something wild and primitive awaken in Vorgon s heart He s not sure if the dragon hunter will be the key to his salvation or the key to his destruction and that of all his kind But after a night in the hunter s embrace he s powerless to walk away
