

Dragon Summer

Wolfgang Guggemos

Dragon Summer:

Dragons and Unicorns Paul Johnsgard, Karin Johnsgard, 1992-10-15 Describes the physical features and behaviors of dragons and unicorns

[An Accident of Dragons](#) Cheri Radke, 2026-04-28 An unlikely lord finally meets a problem he can't flirt his way out of in this adventurous and light-hearted queer cozy fantasy featuring pirates, dragons, kidnapping, tea, and other high fantasy delights for readers of Rebecca Thorne, TJ Klune, Sarah Beth Durst, and Travis Baldree. In theory, the dragoness of Summer can make any resident on her island the ruler if the previous Lord Summer is so careless as to die without an heir. In practice, absolutely no one expected her to choose Teddy, the last lord's middle-aged fancy man. With his quick wit, heaps of charisma, and excellent dress sense, Teddy brings plenty of virtues to his new role, but statecraft, pedigree, and decorum are not among them. That's all right; he's done his duty to the island, and his five-year-old daughter, Zinnia, will make a brilliant Lady Summer when her time comes. Except when a ship of desperate mainland thieves arrives, Zinnia is caught in the fracas and taken hostage. Teddy jumps into the rescue mission without delay, even though his days of adventures on the mainland are long buried with his lover. But his sailors have never seen their destination, and worse, the hardliner admiral who leads them thinks Teddy is a worthless dandy. Against a conniving robber baron, a sorceress who's tamed her own dragon, and ordinary people with everything to lose, the crew faces terrible odds. But with all he loves in danger, Teddy must prove there's more to him than he'd ever intended to show.

Dragons and Dragon Lore Ernest Ingersoll, 1928

Chigger Hollow Adventures Mitchell D. Trumble, Robert E. Trum, 2009-02-21 Summer and Cole are staying with their grandma for the summer. They are two inquisitive kids full of imagination. With their dog Corky, they have had many imaginary adventures on their grandmas farm. This time when they enter the forest, they realize there is more to the land than just trees. They become aware of terrible magical events happening in Chigger Hollow, creatures, and places they have only seen in their imaginations. Princess Aily, the leader of the Faye Fairy kingdom, has lost the Emerald Key in a battle with the Wood Trolls. The Emerald Key locks the gate to Fairy Circle and protects the Emerald Tree, the source of power for the Faye Fairies. With the help of their new friend Nickterpopper, who found the Emerald Key while scavenging for magical ingredients, they embark on a quest to bring the Emerald Key back and lock the magical gate at Fairy Circle to keep the Wood Trolls from destroying the Emerald Tree.

Summer Duke Paul Weightman, 2019-06-16 A magical language. An enchanted flame. A word to save everything. Seven-year-old Summer Duke has always hated dragons and the magic they bring ever since the ash dragon Dark Crimson murdered her sister. Every year, Summer endures the Dragon's Decade Festival, celebrating the dragon's delivery of an enchanted flame. The enchanted flame kills but also provides magic that keeps the Northern Invaders at bay. Until this year, the dragon that Summer hates the most never comes, leaving her kingdom vulnerable to attack. Separated from her mother, Summer joins forces with two very different princes on a death-defying journey of magic and adventure to save all that she holds dear.

A Rosary of Poems: Indivisibility of Samsara and

Nirvana Alex Dieppe, 2025-02-21 One hundred and one poems of all kinds from religious to modern themes Others relay the childhood memories of the author in a small town setting to urban environment family relations and feelings that can be related to many people This is a dual language version by the author in Vietnamese the author's home country and English
