the middle it means death For centuries humans and dragons existed side by side in Alveria bonded by their care of one another But no longer After decades with no viable eggs humans far outnumber dragons and the survival of the species appears bleak The outlook for everyday humans is little better as rogue dragons raid and torment villages Yet it s far worse for the tamers beaten and killed simply for serving the noble dragons But eking by at the bottom of Alverian society isn t any easier for seventeen year old Kaelan Younger Harder still when her loyalty to the dragon crown is no secret But when her dying mother reveals a horrifying truth about her identity Kaelan is thrust into a world for which she is ill prepared Faced with a new life at the proving grounds for humans and dragons alike Kaelan must reconcile not just her past but embrace the future laid out before her When her responsibilities as an Akademy tamer collide with her feelings for a powerful dragon shifter it will take everything she has to prepare for the danger threatening them both The fate of the dragons she has sworn to serve rests in her hands Now Kaelan is no longer an outsider She s the enemy **DRAGON TAMER.
