

Penumbra
**CRIME
AND
PUNISHMENT**

WHAT'LL YOU GONNA DO WHEN THEY COME FOR YOU?

A legal system is one of the defining elements of a civilization. But it's one often overlooked in fantasy settings, in a world where mythical characters can effortlessly defeat armies, have mighty powerful individuals be captured or imprisoned?

For us *Penumbra and Campaigns* deals with judicial systems. *Crime and Punishment* takes an inside look at how they work on the streets of the law. Players can take the roles of bounty hunters tracking down criminals, magistrates, judges, or even take on a role of corruption and crime, stage heists, invent justice, the local sheriff's man, or even sites for the crown.

And consider that even an innocent adventurer may find himself forced by the authorities if he doesn't know what to watch out for. If the characters are on the wrong side of the law, this book provides information on what they may be up against, including new magical methods of law enforcement and imprisonment.

Crime and Punishment includes:

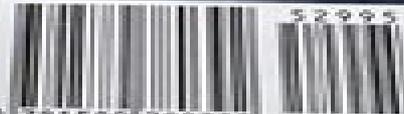

- Extensive rules on conducting investigations, including new uses for old skills, new forensic spells, and specialized equipment. Plus new classes for agents of the law and those who work against them.
- A detailed look at different systems of justice, from common law to divine law, with an emphasis on how such systems can provide opportunities and challenges for adventurers.
- Information on running campaigns based on the law, showing GMs how to bring together a party of bounty hunters, a royal justice and his entourage, or a group of investigators solving crimes in a gritty metropolis.
- Descriptions of a variety of prisons, ranging from an extraplanar cell, to a stone garden filled with petrified prisoners, to a full-fledged mystical fortress.

Requires the use of the *Dungeons & Dragons*® *Players Handbook*,
Third Edition, published by Wizards of the Coast.™
