Dream Trees And Rainbows Dream Symbol Interpretations:

Dream Trees and Rainbows Loretta D. Deeds, Wanda S. Deeds, 2005-08-01 Rarely does one find a non fiction book about stalking that is written by the actual victim rather than a professional who specializes in criminal harassment It takes someone who s been there to tell it how it really is and to truly connect with others that find themselves in a similar situation This is not a typical book on stalking describing one sad case after another This is one woman s true story that will grip you right from the beginning and hold you to the bittersweet end Her personal insights into stalking behaviour are a remarkable contribution to the little understood area of criminal harassment A must read if you don t want to be stalked if you are being stalked or if you know of someone being stalked [How to Interpret Dreams](#) Adams Media, 2017-02-07
