Placing John Haines James Perrin Warren, 2017-02-15 John Haines arrived in Alaska fresh out of the Navy in 1947 and established a homestead seventy miles southeast of Fairbanks He stayed there nearly twenty five years learning to live off the country hunting trapping fishing gathering berries and growing vegetables Those years formed him as a writer the interior of Alaska and especially its boreal forest marking his poetry and prose and helping him find his unique voice *Placing John Haines* the first book length study of

his work tells the story of those years but also of his later itinerant life as his success as a writer led him to hold fellowships and teach at universities across the country James Perrin Warren draws out the contradictions inherent in that biography that this poet so indelibly associated with place and authentic belonging spent decades in motion and also sets Haines's work in the context of contemporaries like Robert Bly Donald Hall and his close friend Wendell Berry The resulting portrait shows us a poet who was regularly reinventing himself and thereby generating creative tension that fueled his unforgettable work A major study of a sadly neglected master Placing John Haines puts his achievement in compelling context [The Awakened Ones](#) Gananath Obeyesekere, 2012 While a rational consciousness grasps many truths Gananath Obeyesekere believes an even richer knowledge is possible through a bold confrontation with the stuff of visions and dreams Spanning both Buddhist and European forms of visionary experience he fearlessly pursues the symbolic nonrational depths of such phenomena reawakening the intuitive creative impulses that power greater understanding Throughout his career Obeyesekere has combined psychoanalysis and anthropology to illuminate the relationship between personal symbolism and religious experience In this book he begins with Buddha's visionary trances wherein over the course of four hours he witnesses hundreds of thousands of his past births and eons of world evolution renewal and disappearance He then connects this fracturing of empirical and visionary time to the realm of space considering the experience of a female Christian penitent who stares devotedly at a tiny crucifix only to see the space around it expand to mirror Christ's suffering Obeyesekere follows the unconscious motivations underlying rapture the fantastical consumption of Christ's body and blood and body mutilation and levitation bridging medieval Catholicism and the movements of early modern thought as reflected in William Blake's artistic visions and poetic dreams He develops the term dream ego through a discussion of visionary journeys Carl Jung's and Sigmund Freud's scientific dreaming and the cosmic and erotic dream visions of New Age virtuosos and he defines the parameters of a visionary mode of knowledge that provides a more elastic understanding of truth A career culminating work this volume translates the epistemology of Hindu and Buddhist thinkers for western audiences while revitalizing western philosophical and scientific inquiry **Bowker's Complete Video Directory, 1999**, 1999 **Video Hounds Golden Movie Retriever 1993** VideoHound Staff, Visible Ink, Videohound, 1992-09 The people have spoken and it's thumbs up for Video Hound With 21 000 videos reviewed and rated this is the best darn video movie guide there is The Niagara Gazette Used as the database of choice for Blockbuster Video's new Movie Guide **Fire Dreamer** Beth Webb, 2007 Tegen's magic flourishes but new enemies come out of the shadows in this thrilling fantasy adventure Tegen headstrong druid in training has struck out alone but the world beyond her village is a dangerous place The Roman invaders are tightening their grip on the land and the British tribes are warring instead of uniting When Tegen meets a sensible young druid he seems the perfect guide But Owein's dark past is chasing him and he brings Tegen into the orbit of a deadly new enemy The Shadow Walker and his raven familiar covet her new found fire magic and will stop at nothing to control the young Fire
