such questions in his close examination of the recurring treatment of the myth of the Jewish Pope in four Yiddish literary texts dating from between 1602 and 1943 The roots of this myth that one day a Jewish apostate might come to rule the world as Pope lie deep in the Biblical story of the assimilation of Joseph Genesis 37 50 from which it branches out into numerous Messianic fantasies informing Jewish existence through two thousand years of exile Concerned with broader questions of cultural identity this study should be of interest to a general readership
