Bakery Business Startup Jennifer Holmes, 2018-03-12 Bakery Business Startup How to Start Run trendy bakeries are opening up around every city now. If you have a passion for a food related business this is THE time to get into it before someone else does it. You don't have to be a pastry chef or have a degree in culinary arts to be a bakery owner. Most successful bakeries are not owned by chefs or people who are into baking. But if you are into cooking and baking sure that is always a huge plus. But remember a long term success in any business comes from being dedicated, motivated and having some basic understanding of how small business and marketing works. Before you say oh I don't have that kind of money to start a bakery business I think you should at least give my ideas a chance. I outlined every step of opening and running a successful bakery business including how to get funding when you are low on cash. I started my first bakery business six years ago on a very limited budget and in just three years I opened up four more locations. If I wasn't making money I sure wouldn't have expanded. But I will admit it was a lot of work. I was glad when I had a great offer to sell all my locations. It was a great offer that I could not say no to. Anyway this is not about my business success it is about you and your success. This is not a book where I teach you how to bake bread or make delicious butter pound cakes but it is about how to start, run and grow a successful bakery business and thrive. But Wait Oh I did share two of my secret recipes. First one is an all butter pound cake and the other is the delicious yummy Tres Leches everyone's favorite. You will see how I used these two recipes as my secret marketing weapon and saw overnight success at the beginning. Here is what I show you in this book: Who Why You Should Open A Trendy Bakery Profitability Break Even Point Of A Bakery Business How To Find Money To Open A Bakery Estimated Cost And Expenses Estimated Monthly Income Knowing The Market And Setting A Trend Naming Your Bakery Business Plan Incorporating Your Business Licensing Permits EIN Bank Account How To Find A Bakery To Buy Or Lease How To Find A Suitable Location How To Negotiate Lease Site Planning And Build Out Menu Signage Decor Furniture Equipment Management Employees Choosing The Right Vendors Pricing Accounting Marketing Promotion My Secret Recipes Grand Opening And So Much More. My only request is that you read this book with an open mind. Don't be that person who reads a bunch of how to start a business book and then think I can't do that. Instead be that person that says If he can do it I can do it better than him. Let's get started shall we.
