Bamboo Fly Rod Suite:

Bamboo Fly Rod Suite Frank Soos,2011-08-15 After he was handed an old broken down bamboo fly rod Frank Soos waited several years before he cautiously undertook its restoration That painstaking enterprise becomes the central metaphor and the unifying theme for the captivating personal essays presented here With sly wit and disarming candor Soos recounts fly fishing adventures that become points of departure for wide ranging ruminations on the larger questions that haunt him Coming to terms with his new rod in On Wanting Everything Soos casts a skeptical eye on the engines of consumerism and muses on the paradox of how a fishing rod that becomes too valuable ceases to be useful The Age of Imperfection begins as a rueful account of his botched repair work but soon changes into an insightful reflection on the seductiveness of perfection and finishes as an homage to the creative power that comes from mistakes In Useful Tools Soos takes a decidedly pessimistic look at the age old quest to combine the good with the beautiful and concludes with an eloquent appreciation of a good tool put to an unintended use On His Slowness offers fresh new perceptions about the human costs of the ever accelerating pace of contemporary life and the increasingly hard work of resisting it More than a meditation on suicide Obituary with Bamboo Fly Rod engages the issue of individual human responsibility and the ultimate question of How to be with equal parts humility and wonder This elegant volume is handsomely illustrated with the full color paintings of Alaskan artist Kesler Woodward Rich in wisdom and physical appeal Bamboo Fly Rod Suite is a distinctive and rewarding book with wide ranging appeal

A Master's Guide to Building a Bamboo Fly Rod Everett E. Garrison, Hoagy B. Carmichael,2016-05-31 Learn the science and art of creating a one of a kind bamboo fly rod Fly fishing has a long and storied history While many flyfishermen will find and purchase their favorite fly rod there are those who desire to go a step further For those discerning flyfishermen and women simply buying a rod is not enough they must build one And just as fly fishing is an art so is the creation of the bamboo fly rod Many people believe that the best feeling rods particularly for trout fishing are made from bamboo and today s bamboo rod making tradition is particularly indebted to one man Everett E Garrison Using principles he learned as an engineering student Garrison created an exacting method of building rod a method that for decades was a well kept secret These techniques are presented to the reader in A Master s Guide to Building a Bamboo Fly Rod a classic volume written by Hoagy B Carmichael to honor and maintain Garrison s legacy Completely illustrated with black and white drawings and over three hundred and sixty black and white photographs along with copious notes on the mathematical and engineering principles that underlie Garrison s unique rod making technique this book will guide you through each step of creating a classic bamboo fly rod Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller

or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Unpleasantries Frank Soos,2016-06-01 Even from upside down in his recently flipped truck Frank Soos reveals himself to be ruminative grappling with the limitations of language to express the human condition Moving quickly skiing in the dark or taking long summer bike rides on Alaska highways Soos combines an active physical life with a dark and difficult interior existence wrestling the full span of thinking and doing onto the page with surprising lightness His meditations move from fly fishing in dangerously swift Alaska rivers to memories of the liars and dirty joke tellers of his small town Virginia childhood revealing insights in new encounters and old preoccupations Soos writes about pain and despair aging his divorce his father's passing regret the loss of home and the fear of death But in the process of confronting these dark topics he is full of wonder As he writes at the end of an account of almost drowning Bruised but whole I was alive alive alive

Casting into Mystery Robert Reid,2020-01-10 Every time I leave the world of work family and community to wade into a river with fly rod in hand I enter a sacred space that sometimes finds expression in the written word In Casting into Mystery writer Robert Reid and wood engraver Wesley W Bates avid anglers both put ink to paper in homage to the venerable sport of fly fishing Through text and image they recall with fondness the company of rivers each is grateful to know providing a glimpse inside a sporting culture teeming with literature art and music Part memoir part objet d art and part field guide Casting into Mystery will delight passionate fly fishing practitioners and armchair anglers alike

Deep Trout William Washabaugh,2020-05-26 On the surface fishing is all about casting catching and communing with nature but on a deeper level the sport is filled with mysteries and contradictions Why do people fish How does a desire to return to nature go hand in hand with high tech gadgetry How is it possible to see other people's fishing as despoiling nature but not one's own What does the long and complex history of the sport reveal Like so much else in life what fishing says about society and the people in it both past and present is hidden from view and almost never discussed This book is a considered foray into the leisure sport of fishing by an avid fisherman who is also a professional anthropologist Those who enjoy the sport tend to extol its naturalness fishing enables them to commune with nature at its most primeval However if it's called natural it's probably a great spot to trawl for clues as to how people manage larger cosmic issues Call it natural the author quips and the anthropologists will come Is fishing an uncomplicated activity or is it deeply meaningful What does it say about culture Is the recent resurgence of interest in the sport simply a reflection of more disposable incomes and more leisure time What is the connection between fishing and Santa Claus fishing and flamenco And finally what is the best way to kiss a trout Unlike most books on fishing which focus on the tale or on how to this book shows that there is much more lurking beneath the surface than fish
