Years offers a practical introduction to literacy issues for early childhood professionals and teachers working with children aged 0-8 in childcare, preschool and school contexts. The authors take a socio-cultural approach to literacy learning, emphasising the importance of understanding the various contexts in which young children are involved in literacy practices. They explore a range of literacy issues that early childhood professionals and teachers are facing in the 21st century. These issues include the role of play in literacy learning, how to use information communication technologies with young children and ways of introducing critical literacy. Literacy is understood broadly and readers are encouraged to explore a range of print and other media with children. With chapters from both Australian and UK authors, *Literacy Learning in the Early Years* is an ideal professional reference and student text, a very useful introductory text to literacy development in early childhood. It is clearly written and accessible to the wide range of professionals working with young children as well as to teachers and parents. It will be a valuable text in training at initial and in-service levels on a wide range of courses. Lesley Abbott, Professor of Early Childhood Education, Manchester Metropolitan University, this well-written comprehensive book combines many practical examples of learning to do literacy and suggestions for action and all the while engages the reader with questions and starting points for reflection. Susan Hill, Associate professor, The Centre for Studies in Literacy, University of South Australia. *Fun for Movers Teacher's Book* Anne Robinson, Karen Saxby, 2010-03-04. *Fun for Movers* provides full colour preparation material for the Cambridge Young Learners English Test Movers. Fun activities balanced with exam style questions practise all the areas of the syllabus in a communicative way. The material is specifically designed to focus on those areas most likely to cause problems for young learners at this level. The *Fun for Movers Teacher's Book* includes creative teaching tips, photocopiable activities and a full photocopiable practice test. An Audio CD available separately includes listening material to accompany the Student's Book. The website to accompany the series includes interactive versions of some activities from the Student's Books. **The Bulletin**, 2004-09.
