Adventures in Spirituality Robert P. Vande Kappelle,2020-02-17 Contrary to popular culture the goal of life is not happiness but meaning Those who seek happiness by trying to avoid or finesse conflict suffering doubt and change will find life increasingly superficial Feeling good is a flawed measure of life but living meaningfully is transformative for then one is living a developmental rather than a regressive agenda The ego does whatever it can to make itself comfortable whereas spirituality is about wholeness Adventures in Spirituality represents the culmination of Dr Vande Kappelle s forty year teaching career incorporating in one volume his views on topics as varied as theology Christology biblical interpretation spirituality ethics world religions religion and science faith and reason and church history Reared in Costa Rica the son of missionary parents Dr Vande Kappelle describes his journey from belief to faith as a transition from precritical to postcritical understanding from evangelical Christianity to what he calls alternative orthodoxy Narrating the shift from first to second half of life experience he introduces readers to core principles that shaped his values thinking and way of life Useful for individual or group study Adventures in Spirituality encourages readers to take risks with their lives and faith affirming that this is how one grows spiritually
