Bible A Literary Study

Richard G. Moulton

Bible A Literary Study:

The Literary Study of the Bible Richard Green Moulton, 1899 *Literary Study of the Bible* Christopher Hodgkins, 2019-02-21

The most comprehensive and accessible introduction to scriptural art yet written. Literary Study of the Bible: An Introduction approaches each book of the Bible including several of the apocrypha with non-sectarian literary questions exploring the meanings that the Bible reveals when we read it like a poem, narrative, or play. As a unique hybrid of introductory guide, essential handbook, historical survey, and absorbing commentary, this book fills a gap in literary Bible study with its fresh perspectives on the biblical writers. Many arts readers will engage in a wide range of textual approaches and interpretive traditions through this broadly informed, accessibly written text. Dr. Christopher Hodgkins has taught Literary Study of the Bible for 25 years, over which time he has field-tested the many lenses of genre, image, language, characterization, plot, and craft used throughout this book. Tracing the sources, composition, and influences of the Biblical text, this book places the Bible in a tradition of ancient Near Eastern Hebrew and Hellenistic literary art, giving new depth to the way we understand the familiar stories of scripture. Unlike other literary introductions to the Bible, this book uniquely combines these elements. Approaches the Bible as a richly collaborative and coherent work of literary art, exploring how earlier books influence the creation and interpretation of later ones. Provides illuminating commentary supplemented by explanatory textboxes, maps, illustrations, and study questions to enhance interest and expand learning. Introduces poetic and narrative devices like doubling, juxtaposition, and irony within the context of scriptural art and editorial design. Gives extensive attention to each biblical book, resulting in the most comprehensive introduction to literary Bible study to date. Presents these materials through an accessible and lively text permeated with references to both high and popular culture. Literary Study of the Bible will be a welcome addition to personal, school, college, and congregational libraries, as well as an excellent text for students of the Bible in both secular and faith-based settings.

The Literary Study of the Bible; an Account of the Leading Forms of Literature Represented in the Sacred Writings; Intended for English Readers Richard Green Moulton, 2022-10-27

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

The Literary Study of the Bible Richard G. Moulton, 2015-07-08

Excerpt from *The Literary Study of the Bible: An Account of the Leading Forms of Literature Represented in the Sacred Writings, Intended for English Readers*. Now, for all these types of readers, the literary study of the Bible is a common meeting ground. One who recognizes that God has been pleased to put his revelation of himself in the form

of literature must surely go on to see that literary form is a thing worthy of study The agnostic will not deny that if every particle of authority and supernatural character be taken from the Bible About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

Shutter,2018-01-18 Excerpt from Wit and Humor of the Bible A Literary Study While many have taken in hand to set forth in order the pathos and sublimity of the Bible those literary elements comprised under the title of this book have rarely been mentioned Feeling that here was a field untraversed the author of this little volume began an investigation whose results were originally embodied in an article published some years ago in an Eastern review That article is given in Poole s Index as the only one extant upon the subject Since its publication additional study has brought to light other examples of the use of Wit and Humor by the writers of the Bible These later results were embodied in a course of lectures delivered last winter before the students of Lombard University Galesburg Ill They are now given to the public in the present volume It would be presumptuous to claim that these few pages exhaust the subject Such a claim the author does not wish to make Further research would no doubt bring to light instances that have escaped him It is hoped however that these studies may be sufficiently complete to awaken interest in a long neglected side of our sacred literature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction

of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Wit and Humor of the Bible](#) Marion Shutter,2013-03-02 The author makes haste therefore to disclaim any intention of irreverence To cheapen or degrade sacred things to depreciate the moral currency is at the farthest remove from his intention It is easy enough to take the language of Scripture and use it for coarse and vulgar purposes and such use deserves the severest censure It is not to be tolerated Passages that have been light and guidance to multitudes that have brought strength to the tempted certainty to the doubting and consolation to the bereaved that have been bread of life to those who have hungered for righteousness inspiration to the purposeless and help to the needy have been turned into sources of merriment to freshen exhausted wit and season the insipid discourse of stupidity Persons whose brains are barren of pleasant conceits find no difficulty in so perverting a Scriptural expression as to make the groundlings laugh In no such motives has this volume originated The title has been chosen and the work which it covers has been done in the spirit of one who loves the Great Book and who would secure for it an additional claim upon human affection The studies of the writer have led him into fresh fields and pastures green where he has gathered many things out of the ordinary that have given the Bible a larger place in his own heart **Reading the Bible as Literature** Jeanie C. Crain,2010-08-09 This book provides the ideal entry point to the process of reading understanding and assessing what many recognize to be the important and powerful literature of the Bible The book introduces the tools of literary analysis including language and style the formal structures of genre character study and thematic analysis [Wit and Humor of the Bible: A Literary Study](#) Marion Daniel Shutter,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [Wit and Humor of the Bible](#) Marion Daniel Shutter,2013-10-01 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book [Encyclopedia of Christian Education](#) George Thomas

Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church. As a result, Christian education remains one of the largest and oldest continuously functioning educational systems in the world, comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries. In *The Encyclopedia of Christian Education*, contributors explore the many facets of Christian education in terms of its impact on curriculum, literacy, teacher training, outcomes, and professional standards. This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe, illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy, home schooling, Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten. With an editorial advisory board of more than 30 distinguished scholars and five consulting editors, *The Encyclopedia of Christian Education* contains more than 1,200 entries by 400 contributors from 75 countries. These volumes cover a vast range of topics from Christian education history spanning from the church's founding through the Middle Ages to the modern day, denominational and institutional profiles, intellectual traditions in Christian education, biblical and theological frameworks, curricula, missions, adolescent and higher education, theological training, and Christian pedagogy. Biographies of distinguished Christian educators are also included. This work is ideal for scholars of both the history of Christianity and education, as well as researchers and students of contemporary Christianity and modern religious education.
