Millard J. Erickson

Bible And Reason:

The Rational Test Leander Sylvester Keyser, 1908 100 Reasons to Believe the Bible Is the Word of God Wiley Graf, 2017-01-12

OBJECTIVE The purpose of this work is to present the many evidences demonstrating that the Bible must be the Word of God that more might come to saving faith in Christ

THE UNAWARE Drawing from personal experience the author is convinced that more would believe if only they were made aware of the many evidences solidly supporting the Christian faith

100 Reasons to Believe is written specifically for these unaware individuals and indeed for all sincere seekers of truth who long for evidence to back up their faith

But we live in an increasingly noisy and distracted world

Some readers will remain unaware if our product is merely black words on a white page

More could be reached by simply sprucing up our product with a calculated use of visuals

AWARENESS RAISING DISTINCTIVE The great distinguishing characteristic of this work is its use of eye pleasing attention grabbing retaining visuals

Each of the 100 Reasons is presented in a self contained two page storyboard with an image always leading off the even numbered left page

Shaded boxed theme statements are added along with scannable text and the calculated use of white space

The result is an easier and more enjoyable reading experience

Higher reader retention rates will naturally follow leading to an overall raised awareness of the many evidences solidly supporting the Christian faith

CHAPTER CONTENTS Witnesses are brought in to testify from numerous fields of study

1 A Creation Flood Model is Superior to an Evolutionary Explanation of Origins

2 Manuscripts Archaeology Support the Historical Reliability of Scripture

3 The Structure and Style of Scripture Suggests a Supernatural Author

4 Jesus Fulfillment of Messianic Prophecy Confirmed by Hostile Witnesses

5 Fulfilled Prophecy in History Confirmed by Extra Biblical Witnesses

6 Scripture Anticipates Numerous Scientific Advances and

7 Closing Witnesses to the Truth of Scripture

APPLICATION Lost in self and sin the world has little interest in what the Bible has to say with regard to God s Salvation

But once convinced that the Bible is indeed the Word of God it is only natural to ask

According to the Bible what must I do to be saved

The Appendix provides a Biblical answer to this most important of all questions

Coming full circle with God s added blessing the stated purpose of this work will have been achieved with all that respond in faith
