

BIBLE BASEBALL™ OFFICIAL RULES

for Atari 400/800 48K with disk drive

1. To begin the game, just insert the disk and turn on your computer.
2. The game is played by asking multiple choice questions on the Bible. There are two levels of questions—'Major League' and 'Minor League'—to choose from. There are 200 questions on this disk—100 for each level. You can play against a friend or against the computer. The computer will ask you which version you want to play.
3. To use a supplementary question disk, boot the regular game disk first. The computer will tell you when to insert your special question disk.
4. In the two player version, Player 1 is the visiting team and bats first. His dugout is on the third base side. Player 2 is the home team and bats second. His dugout is on the first base side.
5. In the one player version (you vs. the computer), the computer is the visiting team and bats first. You are the home team and bat second.
6. Players get a hit for answering a question correctly. It can be a single, double, triple, or home run depending on the difficulty of the question. To answer, just type in the letter corresponding to the correct answer—no need to press return.
7. If the question is answered incorrectly, the batter is out. If it was an easy question with runners on base, you may hit into a double play or even a triple play. Questions answered incorrectly return to the question bank and may be asked later.
8. Sometimes, even if you answer correctly, you will be "robbed" of a hit when the ball is caught by an outfielder.
9. In the one player version, when the computer is up, the computer gets a hit if you give the wrong answer. If you get it right, the computer is out.
10. There are three outs per inning and the game lasts for nine innings. If the score is tied after nine innings, the game goes into extra innings. You'll have the chance to end the game at the end of every inning by pressing the #1 key. To continue playing, press the space bar.
11. If a pitcher is getting hit hard, he will be lifted from the game and a relief pitcher will be brought in.
12. Sometimes, the game will be called because of rain. If the game is stopped after five innings have been played (or 4½ innings if the home team is ahead), the team that is leading at that point is the winner.
13. At the end of each game, the winner's name will appear on the screen.
14. Bible Baseball assumes no responsibility for spectators injured by thrown bats, gloves, or batted balls.
