Bible Code The:

Bible Code II Michael Drosnin, 2003-10-28 The Bible code the ancient code encrypted in the Bible that may reveal our future was made known to the world by investigative reporter Michael Drosnin Now he reveals startling new predictions warning that we may have only three years to stop the countdown to Armageddon This dramatic account opens on the morning of September 11 2001 when Drosnin witnessed the attack on the World Trade Center and then found the terrible event predicted in detail in the 3 000 year old Bible code But according to the code September 11 was only the beginning The Bible code says we are already in the End of Days the Apocalypse foretold by all three major religions of the West Drosnin has traveled the globe to meet with world leaders to prevent the impending danger and to search for the Code Key a long buried ancient object that may completely unlock the Bible code just in time to save our world **Bible Code Bombshell R.**

Edwin Sherman, 2005-07-01 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics **The Bible Code Solved** Tracy Yates, 2017-12-05 In 1997 Michael Drosnin published The Bible Code This book demonstrated that amazing things from the past present and future are encoded within the Bible Every major event in world history every major figure in world history seems to be encoded in the Bible Michael Drosnin Despite intentional disinformation claiming to have debunked the Bible codes they are real and they are taken very seriously Ordinarily we would assume that the US Pentagon and anything having to do with the Bible would be far removed from one another But in 1994 statistical science a respected mathematical Journal published report number three volume 9 titled Equal distant letter sequences in the book of Genesis That report found its way to the Pentagon s national secret agency of cryptology And made it to the desk of Harold Gans a senior cryptographer for the Pentagon s national security agency Gans knew that equal letter Skip sequence was a code form widely used by governments and their agents The idea that they would occur in the book of Genesis was hard for him to believe He found it so difficult to believe that he

wrote his own computer program based on his intimate knowledge of encryption techniques with the intent of disproving the results published by Statistical Science. If the codes were simply a matter of random chance, then Gans' program would reveal this. After testing the codes with this program, Gans made the statement: "The probability that these codes could appear by accident is virtually nonexistent." In the plain text, the Bible tells us that God spoke our universe into existence. The ancient Torah is the source code behind creation. Recently, they have discovered binary code at the quantum level. Physicist James Gates claims to have actually found quantum bits of 1s and 0s. The Bible Code has been solved. The Torah is the source code that supports our reality. Once the code is solved, the keys to creation are revealed. In *The Bible Code Solved*, you will learn the finest details behind exactly how God created the universe. I encourage everyone to be seated when they get to the conclusion of this book, where you will be given a source that you can verify on your computer, containing the most amazing proof of God that has ever been available to the public.
