during 1930s 50s at best was turbulent times for young African American boys yet he rode horses with his white friend J a White kid that lived nearby at the time Because of Matt s faith taught to him by his grandmother Mandy he was not afraid to take chances and try new things At age 19 Matt went to work in Pensacola Florida Later that same year he bought a 1939 pretty green Chevy Matt was never deterred by life decisions and still believes it is his faith that has brought him through many ordeals in his life He has stepped out on faith and prevailed in turning what would have toppled the average big city kid but not Matt he turns negatives into positives and perseveres as he gets up again and again
