Bible Makes Sense:

The Bible Makes Sense Walter Brueggemann, 1977 This unique how to book about the Bible goes beyond simply introducing major themes The author offers an engaging biblical understanding of the world that leads to joy life and wholeness described in an insightful synthesis tht enlivens the Scriptures Brueggemann suggests that insiders to biblical faith will find energy and illumination that outsiders never guess at [The Big Story](#) Justin Buzzard, 2013-05-15 How would you explain your life to a stranger When strangers meet today they often ask not What do you do but What is your story Everybody on the planet believes some larger story in order to make sense of the smaller story of his or her life We want our lives to fit within a larger plot a plot full of history forward movement and future So the better question to ask is What sort of story are you in Most people believe false stories that leave them disillusioned enslaved and hopeless Secular stories of chasing success and religious stories of doing good works leave us feeling exhausted and empty Only Christianity offers a story that s big enough to make sense of both the beauty and brokenness in our lives and in our world **Why the Bible Makes Sense** Ed Strauss, 2013-07-01 There s a reason the Bible has stood the test of time actually many reasons And Why the Bible Makes Sense explains just why you can trust God s Word Here are 75 easy to read entries on why the Bible as we know it is trustworthy from its origin as a written not oral record to the care professional scribes used in copying the texts to the fulfillment of Old Testament prophecies to the confirmation of the Dead Sea Scrolls And then there are the teachings the highest moral aspirations on earth Find out here why the Bible makes sense as history as ultimate truth as guide for life

The Bible Makes Sense Larry Schlotfelt, 2010-06-22 This book is designed to present a common sense look at the Bible without the bias of church doctrine It is written by a layman adult Sunday school teacher For over 35 years his teaching has been predicated only on the Bible being the inspired of God The Scriptures constitute total authority calling us to a right relationship with God based entirely upon our faith in Jesus Christ and the sacrifice he made to pay our sin debt There are eleven sketch illustrations [Making Sense of the Bible](#) Helen-Ann Hartley, 2011-06-17 One of a series of 6 small books dealing in a short and accessible way with the key concerns for Christians Again and again we hear that such and such an opinion is not biblical implying that the Bible speaks with a unified voice on any matter With humour and examples drawn from art and life Helen Ann Hartley argues that our reading of this varied collection of writings has to be generous not exclusive To appreciate fully the Bible s richness and diversity we have to wrestle critically and creatively with themes that attract us and repel us Not only should we draw meaning from the Bible we must let our lives contribute meaning to the stories it tells engaging in conversation with those stories and allowing them to urge us into being to think speak and act Ultimately to make sense of the Bible we need to make sense of who we are in relationship to God [Bible Makes Sense](#) Walter Brueggemann, 2016 **Toward Understanding the Bible** Perry Yoder, 2006-01-25 T his work is offered in the hope that it will help those seeking biblical answers for today s problems to find a coherent and consistent way of using the biblical

text Hermeneutics is not so interested in the specific explanation of individual passages but in a more general way with the object or goal of exegesis If in exegesis the aim is to discover the meaning of a passage how will we tell when we have gotten this In this essay we see that the task of hermeneutics is to teach us how we may tell a valid explanation from an invalid one what constitutes a correct understanding of a passage from the Introduction **Making Sense of the Bible [Leader Guide]** Adam Hamilton,2014-09-15 In this six week video study Adam Hamilton explores the key points in his new book Making Sense of the Bible With the help of this Leader Guide groups learn from Hamilton as his video presentations lead groups through the book focusing on the most important questions we ask about the Bible its origins and meaning

Narrative Theology and the Hermeneutical Virtues Jacob L. Goodson,2015-01-21 In Narrative Theology and the Hermeneutical Virtues Humility Patience Prudence Jacob L Goodson offers a philosophical analysis of the arguments and tendencies of Hans Frei s and Stanley Hauerwas narrative theologies Narrative theology names a way of doing theology and thinking theologically that is part of a greater movement called the return to Scripture The return to Scripture movement makes a case for Scripture as the proper object of study within Christian theology philosophy of religion and religious ethics While thinkers within this movement agree that Scripture is the proper object of study within philosophy and religious studies there is major disagreement over what the word narrative describes in narrative theology The Yale theologian Hans Frei argues that because Scripture is the proper object of study within Christian theology and the philosophy of religion Scripture must be the exclusive object of study To think theologically means paying as close attention as possible to the details of the biblical narratives in their literal sense Different from Frei s contentions the Christian ethicist at Duke University Stanley Hauerwas claims if Scripture is the proper object of study within Christian theology then the category of narrative teaches us that we ought to give our scholarly attention to the interpretations and performances of Scripture Hauerwas emphasizes the continuity between the biblical narratives and the traditions of the church This disagreement is best described as a hermeneutical one Frei thinks that the primary place where interpretation happens is in the text Hauerwas thinks that the primary place where interpretation occurs is in the community of interpreters In order to move beyond the dichotomy found between Frei s and Hauerwas work but to remain within the return to Scripture movement Goodson constructs three hermeneutical virtues humility patience and prudence These virtues help professors and scholars within Christian theology philosophy of religion and religious ethics maintain objectivity in their fields of study [Ken Ham Daily](#) Ken Ham,2024-12-04 A Powerful Resource to Equip You with Biblical Truths for Everyday Life Ken Ham Daily 365 Musings Inspirations Answers is an essential resource for Christian parents looking to strengthen their family s faith and equip their children to stand firm in today s culture This collection of 365 daily readings by renowned apologist Ken Ham offers a unique opportunity to guide your family through biblical truths that address the most pressing spiritual and cultural issues of our time Perfect for family devotions Ken Ham Daily encourages parents to take the lead in discipling their children

With each reading you can easily guide your family through topics like the nature of God salvation the authority of Scripture and the importance of the church These reflections are also a powerful resource for your church community offering daily lessons that can be shared in small groups Bible studies and Sunday school classes Ken Ham s fifty years of ministry experience have culminated in this incredible resource designed to help Christian families like yours live out their faith with confidence Ken Ham Daily isn t just a book it s a tool for cultivating a strong lasting biblical foundation in your home and church Let this resource help you lead your family in faith one day at a time

An On-Going Imagination Walter Brueggemann, Clover Reuter Beal, 2019-10-15 Biblical scholar Walter Brueggemann has always excelled at making the Bible approachable and engaging Drawn from a series of public conversations with Brueggemann and his former student and longtime friend Clover Reuter Beal *An On Going Imagination* explores Brueggemann s most influential biblical theological concepts and methods Why should we still bother with the Bible today What is the purpose of prayer and what can it do for our lives How is keeping the Sabbath countercultural What does it mean to say that the God in the Bible is a God in recovery Intimate provocative and challenging *An On Going Imagination* offers an enlightening introduction to Brueggemann s work for readers who want to learn more and a way back into the Bible for people who feel alienated from it by those on the right and the left who claim to have it all figured out Brueggemann and Beal reawaken us to the fascinating strangeness of biblical tradition and its incredible power to help us imagine new ways of seeing and being in the world

The End of Theology Jason S. Sexton , Paul Weston , 2016-10-01 Missiologists and theologians do not often talk to each other which has resulted in increased ignorance of each other s questions and concerns about how to do theology in ways that effectively serve the Church s mission Under the auspices of the Tyndale Fellowship Christian Doctrine study group a colloquium of distinguished scholars and practitioners recently gathered at the University of Cambridge This volume arising out of that symposium begins conversations that have been waiting to happen Each participant brings a particular perspective to questions about the nature of theology and how it is most meaningfully constructed so as to offer a truly interdisciplinary perspective on theology and mission It highlights perspectives of contextual theology and systematic theology as well as missiology and mission studies world Christianity and historical inquiry biblical studies and missional hermeneutics ethnography pastoral practice and social justice It also pays keen attention to matters on the ground with a profound desire to relate questions of evangelical identity including ministry practice and mission to the wider tradition In short this volume sets out to model the kind of engagement required by both Church and Academy to do theology for mission

The Surprising Rebirth of Belief in God Justin Brierley, 2023-09-12 Could We Be Witnessing a Return of Belief in Our Generation Justin Brierley is convinced that in our time we are witnessing a growing wave of faith Famously described as the long withdrawing roar of the Sea of Faith the Christian narrative that shaped the West has been replaced by sweeping secularism But is that the end of the story It was a conversation with agnostic journalist Douglas Murray that led Brierley to investigate whether a change was on the

horizon Speaking of the Sea of Faith Murray remarked that tides come back in again and that a number of his intelligent friends had converted to Christianity in recent years Brierley was seeing a similar trend among the secular thinkers he had interviewed Jordan Peterson Tom Holland Dave Rubin and many others have found themselves surprised by the continuing resonance and relevance of Christianity and they are joining in on conversations about faith Readers will encounter Brierley's discussion of cultural trends and concepts including The meaning crisis Public intellectuals embracing faith Why the Christianity story is ready to return And much more In *The Surprising Rebirth of Belief in God* Brierley outlines the dramatic fall of New Atheism and the birth of a new conversation on whether God makes sense of science history culture and the search for meaning People are returning to Christianity but is the church prepared to welcome a new wave of faith There's a new conversation building The tide is coming

Was the Reformation a Mistake? Matthew Levering, 2017-09-26 Was the Reformation a mistake In its actual historical context it hardly seems fair to call the Reformation a mistake In 1517 the Church was in need of a spiritual and theological reform The issues raised by Renaissance humanism and by the profound corruption of the Church's leaders the Avignon papacy and the Great Schism in the fourteenth and fifteenth centuries lingered unresolved What were key theological problems that led to the Reformation Theologian Matthew Levering helps readers see these questions from a Catholic perspective Surveying nine key themes Scripture Mary Eucharist Monasticism Justification and Merit Saints Priesthood and Scripture he examines the positions of Martin Luther and makes a case that the Catholic position is biblically defensible once one allows for the variety of biblically warranted modes of interpreting Scripture At the same time Levering makes clear that he cannot prove the Catholic case The book concludes with a spirited response by mere Protestant theologian Kevin J Vanhoozer

Bible Review, 2002 *Craft Brewed Jesus* Michael Camp, 2016-04-08 What if the modern American church has its Christian history wrong According to ex-evangelical Michael Camp most American believers fail Christian History 101 Drawing on his own historical research and missionary experience he discovers that most popular Christian views of the Bible church sin salvation judgment the kingdom of God the end times and the afterlife pretty much all religious sacred cows don't align with the beliefs of the original Jesus movement Some of them not even close Camp's *Craft Brewed Jesus* paves a fascinating journey of a group of disillusioned evangelicals and Catholics When they decide to meet regularly over craft beers to study the historic foundations of their faith their findings both rock their world and resolve ancient mysteries They examine well-documented narratives of the early Jesus saga Eastern streams of a lost Christianity and the roots of our modern religious assumptions all while striving to steer clear of either a conservative or liberal bias What they uncover is a vital refreshing spiritual paradigm no longer at odds with reality Grab your brew of choice and trace this transformational

journey based on a true story that will encourage you in your walk of life and faith *The infallible book; or, Biblical inspiration* William Frith, 1892 Making Sense of God's Word Kenneth Schenck, 2009 When Christians know God's will on a particular issue no human reason can or should change their mind However the average Christian sometimes is awash in conflicting ideas about what the Bible means In those times people may feel inadequate to pick up a Bible and try to read and understand it on their own Dr Kenneth Schenck's *Making Sense of God's Word* offers practical advice for the average Christian who desires to read and understand God's Word Helping the reader sort through the issues of context genre and theories of interpretation Schenck gives practical principles that restore confidence in reading and interpreting the difficult passages of Scripture After reading this simple practical guide readers will feel confident that they can hear God's Word for themselves
