provide a translation of all of these books that will enable the English reader to come as close to the Greek texts as possible without having to be proficient in Greek And the name of the ALT reflects this purpose Literal refers to the fact that the ALT is a word for word translation All words in the original text are translated nothing is omitted The original grammar of the text is retained as much as possible Any words added for clarity are bracketed so nothing is added without it being indicated as such Analytical refers to the detailed analysis done on the grammar of the text The grammar is then translated in a way which brings out nuances of the original text that are often missed in traditional translations In addition analytical refers to the aids that are included within the text which enable the reader to analyze and understand the text Such information is bracketed It includes the following 1 Alternative translations for words and phrases 2 Possible figurative meanings or paraphrases of words and phrases 3 Modern day equivalents for measurement and monetary units and time designations 4 Explanatory notes 5 Cross references Translation refers to the conversion of the original Greek text into English Modern day English is used and despite its literalness the ALT is a relatively easy to read and understand Versions Notes The version of the ALT OT published in 2023 is a corrected text not a full new edition Only minor corrections have been made plus the cover and appendixes have been updated The Regular paperback and hardback versions of the ALT OT are printed on 8 1 2x11 pages in double columns using Times New Roman 10 point font But a Personal Size Version is also available It is printed on 6 x 9 pages in single columns using the same font size Many requested this smaller page size so I am making it available However due to the smaller page size the number of pages and thus the cost of the book is greater Analytical-Literal Translation of the Old Testament (Septuagint) - Volume Two - The Historical Books Gary F. Zeolla,2014-10-23 The Analytical Literal Translation of the Old Testament Septuagint Volume II The Historical Books ALT is a companion to the Analytical Literal Translation of the New Testament Both are translated by Gary F Zeolla www Zeolla org The ALT Old Testament is being published in five volumes Most Old Testaments are based on the Hebrew text But this Old Testament OT is based on the Greek Septuagint LXX The LXX is a third century B C Greek translation of the Hebrew Bible The name and abbreviation comes from the tradition that 70 or 72 Jewish scholars worked on its translation six from each of the 12 tribes of Israel The importance of the LXX is that it was THE Bible of the early Church The purpose of the ALT is to provide a translation of the Greek Septuagint that will enable the reader to come as close to the Greek text as possible without having to be proficient in Greek *Complete Concordance to the Analytical-Literal Translation: Second Edition* Gary F. Zeolla,2007-09-18 This Complete Concordance is a companion to the Analytical Literal Translation of the New Testament Third Edition ALT3 This concordance indexes every occurrence of most words in ALT3 Only minor words are omitted Sufficient context is provided for the reader to recognize the verse or to get the gist of it This concordance will enable the reader to quickly find a verse in ALT3 It will also be invaluable in doing topical studies in ALT3 Looking up every reference to a word like grace will enable the reader to do a study on this important Biblical topic ALT3 is the ideal version to use for such in depth Bible study and

having this concordance to use as reference tool will improve these studies Analytical-Literal Translation of the Old Testament (Septuagint) - Volume Three - The Poetic Books Gary F.
