The Golden Ratio arrangement makes an audacious assumption God is the true Author of the Scriptures and God has built into his Revelation to mankind a special pattern based on a mathematical ratio the Golden Ratio This pattern is UCCOO 1 Unique two Complementary and two Opposite This arrangement is not a theory it is a fact Download the Appendix PDF at the link above and you will see for yourself All other Bible versions not published by JHS Publishing utilize the Traditional Format which is out of date and incorrect This includes the KJV AV the NIV the NKJV the ESV the ASV and thousands of others If you want a Bible with the true and correct arrangement of the Books and text you must have a copy of this version or one of the other versions published by JHS Publishing <http://www.phible.org> The Golden Ratio Format of the Bible is the future format for all Bible versions because it is from God Someone said Facts are stubborn things and God has a way of making things happen even though the entire world doesn't agree Jesus Christ is coming soon Are you ready to meet Him right now Have you been born again by faith in Jesus Repent of your sins and accept Him as your Lord and Savior right now and receive the gift of Eternal Life
