The SIX BASIC DOCTRINES Dirk Waren,2019-09-26 Every believer needs to establish a sound spiritual FOUNDATION because it sets the groundwork for their entire walk with the LORD Just as a good foundation is required for a sound building so a proper spiritual foundation is vital for a victorious Christian life Those who fail to lay a proper foundation are doomed to spiritual immaturity because they have nothing by which to judge what is right or wrong scriptural or unscriptural wise or foolish Simply put a healthy biblical understructure eliminates feeble spirituality Believers who neglect to form a wise foundation can shipwreck their faith altogether as Paul put it in 1 Timothy 1 19 and find themselves back in the world in spiritual darkness and separate from God That s why this book exists It ll help believers lay a quality understructure so that their faith isn t shipwrecked at some point down the road The Bible details the six basic doctrines of Christianity in Hebrews 6 1 2 where they are described as elementary This means the initial starting point in the Greek In other words these six doctrines come first and are therefore the chief teachings of Christianity They re basic only in the sense that they re foundational and consequently have priority over other doctrines They are the SIX CHIEF DOCTRINES of Christianity

Torrey, 2018-07-31 We agree with Dr Torrey that there is great need for clear and popular preaching of Christian doctrine This need was met by Dr Torrey in the case of his own Church and will now be met in that of many readers to whom these sermons shall come in printed form There are fifteen sermons and the subjects treated are the Inspiration of the Bible the Christian Conception of God the Deity and Person of Christ the Personality and Deity of the Holy Spirit the Atonement Justification the New Birth Sanctification the Resurrection of the Body the Devil Future Punishment These great doctrines are expounded clearly simply and in a thoroughly evangelic spirit and tone We would close this notice by emphasizing again the great need today for just such preaching as Dr Torrey has given in these sermons and by commending them to all who feel the need of instruction in the fundamental doctrines of Christianity The Princeton Theological Review The author is a Congregational minister and his point of view is about the point of view that would have been taken by Jonathan Edwards the greatest of all Congregational theologians He is strongly conservative and strongly Calvinistic He believes in verbal inspiration and in literal hell fire His arguments are taken entirely from the Bible To him the Bible is final authority on all questions The reader will find this book a vast storehouse of proof texts logically and systematically arranged These sermons drew large audiences The author avoids all technical and scholastic terms and speaks in the language of the Bible and of the people The layman who wishes to know what the Bible teaches on these fundamental doctrines will find this a helpful book The Union Seminary Review For young Christians as well as many older ones this will be most helpful It is a much felt need today that there should be more thorough instruction on the essentials of the Christian faith and Mr Torrey s exceptional ability as a Bible student makes him a most helpful teacher on this subject Record of Christian Work Instruction in the fundamental truths of Christianity first delivered as sermons Publishers Weekly The sermons fifteen in number cover the principal subjects of Christian doctrine in an attractive clear and earnest way and are calculated to help many to a deeper and more serious reckoning with their Christian profession We have profited by contact with his earnest Christian mind The Living Church CONTENTS I Inspiration or To What Extent is the Bible Inspired of God II The Christian Conception of God or the God of the Bible as Distinguished from the God of Christian Science and the God of Modern Philosophy III The Christian Conception of God The Infinite Perfection and Unity of God IV The Deity of Jesus Christ V Jesus Christ a Real Man VI The Personality of the Holy Spirit VII The Deity of the Holy Spirit and the Distinction Between the Father Son and Holy Spirit VIII The Atonement God s Doctrine of the Atonement vs Unitarian and Christian Science Doctrines of the Atonement IX The Distinctive Doctrine of Protestantism Justification by Faith X The New Birth XI Sanctification XII The Resurrection of the Body of Jesus and of Our Bodies XIII The Devil XIV Is There a Literal Hell XV Is Future Punishment Everlasting **Biblical**
