Pactor,1990-07-24 This book is a milestone achievement in the documentation of the newspapers of the British Caribbean islands a field that until now has been neglected by many scholars The existing and bygone papers and several commonly unknown publications listed in this work provide a wealth of information about these obscure times No other work before this one has been as extensive in its

documentation and coverage of the individual papers Of special assistance is the index which completes the work This bibliography seeks to determine the extent of newspaper publications in the British Caribbean colonies and to organize it into a useful form In the past researchers have either ignored or given brief and scattered coverage to this information but with Colonial British Caribbean Newspapers Pactor hopes to make this information available to scholars His book lists information about the known newspapers of the British Colonial Caribbean arranged alphabetically by colony and chronologically within each colony Dates of publications and names of editors publishers and owners are given if known The newspapers are also listed in an index It is hoped that a work of this sort may make access to these newspapers easier for scholarly research and call attention to the need to find and preserve these fragile resources Historians sociologists and mass communication scholars will be especially appreciative of Pactor s efforts
