

Big Bands The

William Emmett Studwell, Mark Baldin

Big Bands The:

The Big Bands George T. Simon, 1976 Big Band Jazz Albert McCarthy, 1983 The World of Big Bands Arthur Jackson, 1977 The World of the Big Bands presents for the first time the complete story of the big bands which have played such an important part in the evolution of modern music Famous bands with their individual styles swing jazz dance music Hawaiian and comedy and their soloists arrangers and singers are nostalgically recalled with authority and from the author's personal experience of the era **Swingin' the Dream** Lewis A. Erenberg, 1998 Dance into the 1930s swing bands that combined jazz and pop creating dreams for the Depression and capturing imagination of American youth critics and business 32 illustrations *The Big Bands* George T. Simon, 2012-03-08 In this book you will find an astounding 400 biographies that highlight the history and personnel of the great bands It is organized into four sections The Big Bands Then the scene the leaders the public the musicians vocalists arrangers and businessmen recordings radio movies and the press Inside the Big Bands profiles of 72 top bands Inside More of the Big Bands hundreds of additional profiles arranged by categories The Arranging Leaders The Horn playing Leaders etc and The Big Bands Now The Big Bands is one of the best books on the subject It is both readable and an invaluable reference source for the study of jazz standards since many were written by big band leaders or musicians or were popularized through their performances and recordings The index is comprehensive with names but lists no songs George T Simon was one of the original organizers and members of the Glenn Miller Orchestra for which he played the drums He was also one of the first writers for Metronome Magazine where he remained from 1935 until 1955 **Big Bands and Great Ballrooms** Jack Behrens, 2006 Where did big bands and swing music go They didn't leave but many Americans actually believe they disappeared along with ballrooms jukeboxes bobby sox and zoot suits decades ago Band leader Brooks Tegner who has recreated the great music of World War II with his Army Air Corps Review Big Band offers a good response In order for something to come back it needs to have gone away Big bands have wrongly been put in that category They never went away And that's the essence of the chapters of my book about America's big bands ballrooms and dancing's past and present And there's a good look at the future through the eyes of a number of young bandleaders from the east to west coast who carry on in the tradition of Guy Lombardo Glenn Miller Harry James Woody Herman Duke Ellington and a host of other music legends in their own distinctive way The struggle to survive in the music business hasn't been without losses and a need for life support It did when Miller Benny Goodman James and Ellington were in their heyday It's a financially precarious business regardless of your talent Inevitably music and dancing evolved and matured The reasons are numerous and linked to our heritage But like marching bands on the 4th of July imagine a country club new year's eve without live dance music and a big band Think about the many community social events and high school and college proms let alone wedding receptions that still insist on having live bands to play the foxtrots and swing numbers people enjoy My research shows that while there were approximately 800 big bands on the road during the swing era of the 1940s today there

are nearly 1 300 big bands according to a Google search and a review of hundreds of territory bands Consequently neither the bands nor the music vanished they scattered throughout the American countryside

Big Band Jazz from the Beginnings to the Fifties Gunther Schuller, Martin Williams, 1983

Sittin' in with the Big Band, Vol 2, 2008-10 Sittin' In with the Big Band Vol II is more than just a fun play along kit This book and CD set features 10 big band charts written at the intermediate level It provides an opportunity to play along with a professional jazz ensemble and improve performance skills As students play with and listen to the outstanding players in the band they will learn about blend style phrasing tone dynamics technique articulation time and playing in tune Performance tips and suggestions are included in each book Books are available for alto saxophone tenor saxophone trumpet trombone piano bass guitar and drums

Metronome ,1958 *Encyclopedia of Music in the 20th Century* Lol Henderson, Lee Stacey, 2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century It covers the major musical styles concert music jazz pop rock etc and such key genres as opera orchestral music be bop blues country etc Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field Illustrated and fully cross referenced the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information A good first point of reference for students librarians and music scholars as well as for the general reader

The Big Band Reader William Emmett Studwell, Mark Baldin, 2000 Benny Goodman Cab Calloway Count Basie The Dorsey Brothers Duke Ellington and Glenn Miller were musical masters of their eras enchanting and romancing audiences with their timeless classics Relive these wonderful songs and memories through The Big Band Reader Songs Favored by Swing Era Orchestras and Other Popular Ensembles a unique and exciting collection of over 140 songs from over 70 bands that are categorized by themes preferred numbers and top songs Paying tribute to better known swing bands sweet bands ensembles favoring softer more sentimental numbers and some unheralded bands good ensembles that did not receive much attention or did not have a well known leader this book contains up to four essays relating to specific groups and their popular hits giving readers historical and informative facts about the songs and the people who performed them

The Big Band Years Bruce Crowther, Mike Pinfold, Franklin S. Driggs, 1988 Looks at the history of Big Band music and the top bands soloists singers and bandleaders

Drew's Blues Drew Page, 1999-03-01 Congratulations on a much needed book on the Big Band era especially from the viewpoint of the side man Having been one for about eight years before becoming a leader I can really appreciate your approach A bandleader is no better than the men behind him and I have had some great ones including of course Drew Page Freddy Martin Having lived behind the scenes during the Big Band era of the thirties and forties Page invites us to share that era with him An instrumentalist or sideman in many touring bands he recounts friendships with now famous as well as unknown musicians who made American dance music Like them Drew Page loved his music and the road

He did not want to stay in one place and one job for thirty years repeating one year or experience thirty times He wanted to see things to observe people and places After a lifetime of traveling and music every town began to seem like home Page s life was touched with humor disappointment triumph and some tragedy Perhaps it s the variety of my experiences none seeming to relate to the others that has given my life its discontinuity Certainly discontinuity characterized his daily life but continuity his music characterized its essence Brought together by their art the traveling bandmembers were apt to encounter each other any place any time and so they avoided goodbyes I ll be seeing you That s the way I left Harry James and the boys in the band recalls Page In this well illustrated autobiography he tells us what it was like to travel in the days before paved roads and how the Great Depression the death of vaudeville and World War II affected the music business He gives us anecdotes about the famous musicians he worked with Harry James Red Nichols Freddy Martin among others and he talks about his fellow sidemen His narrative unrolls like a scroll inscribed with the names of those who made American dance music and jazz famous Every music lover nostalgia seeker and student of American culture will want to own this book

Big Bands The Introduction

In the digital age, access to information has become easier than ever before. The ability to download Big Bands The has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Big Bands The has opened up a world of possibilities. Downloading Big Bands The provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Big Bands The has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Big Bands The. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Big Bands The. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Big Bands The, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Big Bands The has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Big Bands The Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Big Bands The is one of the best book in our library for free trial. We provide copy of Big Bands The in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Big Bands The. Where to download Big Bands The online for free? Are you looking for Big Bands The PDF? This is definitely going to save you time and cash in something you should think about.
