

# Ways of Communicating Technical Information

## Information

Technical information can be presented in many different forms depending on the type and level of information that is required or permitted to be shown

The different forms of technical information may also be a result of company standards, habits or procedures being employed in their workplace.

## Hands On

Q. How many more forms of communication can you think of?

## Quick Tip

It is best practice to use whichever source(s) will allow for adequate information to be cascaded in order to complete the job safely, efficiently and effectively.
