## **Communicating In French Intermediate Level:**

**Communicating in French** Conrad J. Schmitt,1991-01-01 The purpose of the series Communicating in French is to provide the learner with the language needed to survive in situations in which French must be used The major focus of the series is to give the learner essential vocabulary needed to communicate in everyday life The type of vocabulary found in this series is frequently not presented in basal textbooks For this reason many students of French are reduced to silence when they attempt to use the language to meet their everyday needs The objective of this series is to overcome this frustrating problem and to enable the learner to express himself or herself in practical situations book tape
