**The Dragon's Breath** AQEEL AHMED,2024-04-13 The Dragon s Breath The prince learns how to control fire and ice with the help of a dragon This lets him use adaptable weapons against the Hell Brute Summary In a world where magic can be felt in the woods and mountains young Prince Eliot is full of hope for adventure and the need to prove his worth Because of his desire Eliot meets Ignis an old dragon that no one else can see Ignis tells Eliot that he has a special fate because he can control his breath like a dragon and use both the numbing cold of ice and the searing heat of fire At the time of discovery there is a big desire The Hell Brute a creature of evil and destruction could destroy the realm and cause a lot of trouble Ignis tells them that Eliot is the only one who can use their new skills to beat this terrible opponent But Eliot s strength of will bravery and character depth will all be put to the test as he faces the many problems that stand in his way of using these elemental powers Eliot s travels are a mix of meeting normal people and supernatural beings Eliot gets closer to his goal with every step from the Air Spirits promises of loyalty and knowledge to the dark shadows of the Forest of Shadows where he gets stronger at night His quest takes him into the Ice Cave which is very cold and the center of the Volcano of Vehemence which is very hot Both of these places test his fire and ice skills Along the way Eliot makes friends and bonds that make him stronger and his skills also help him as the Hell Brute s shadow gets closer In a major battle Eliot s lessons are put to the test as the country rallies around its prince In the middle of battle Eliot learns that his real sources of strength are not just the breath of fire and ice but also the combined resolve of his fellow soldiers and the constant spirit of his heart Through a mix of fiery strength and cold determination Eliot defeats the Hell Brute in a victorious battle that keeps the realm safe and drives the darkness away Eliot has gone from being a beautiful prince to a famous hero As peace returns he leaves behind a legacy of bravery friendship and the undeniable power of coming together Eliot s story reminds people that real power comes from having a strong heart being brave in the face of fear and working together to be strong Chapter 1 The Secret of the Mountain A young prince named Eliot used to live in a magical and mysterious place Eliot was known for being daring and interested and he was always looking for new puzzles to solve and tasks to take on Eliot had gone far outside the palace walls to explore the vast wild wilderness of his realm He came to the base of a beautiful mountain range that was shrouded in clouds and mystery As Eliot went up the steep roads deeper into the mountains he saw that the scenery was changing and the air was getting thinner There was more ice and snow in the area and there were fewer plants Not many people had ever been to this place which was a safe haven of peace and quiet But Eliot kept going his eyes wide with awe at the mountains grandeur and beauty He was inspired by his desire to try new things It was deep below these freezing heights that Eliot found a secret valley that no one else could see Over time no one found this secret spot Eliot s life changed forever that day among the old stones and soft air He met the famous dragon Ignis in this faraway valley Ignis was a beautiful animal Its eyes were filled with years of knowledge and its scales sparkled like gems in the sun Ignis looked awful but when he talked to Eliot he was

kind and friendly He told Eliot about the world s old magic the dragons that used to fly around and the powers that were still in the area Ignis told Eliot a secret that would change his life forever which shocked him His claim was that Eliot has a unique and amazing skill he can control his breathing like a dragon Eliot had the power to call up flames as hot as a dragon s and breathe out a chill that was so strong it could freeze the air Ignis made it clear that this ability was a gift from God to those who had the heart and courage to use it well But it wouldn t be easy to get that kind of power It would take the same amount of strength self control and bravery as a dragon While Eliot was with Ignis she told him about the dragon s breath and promised to teach him how to use it for good Eliot was so shocked and excited that he felt dizzy He felt something break out inside him at the thought of breathing ice and fire and controlling the elements He knew that this was the important task and chance he had been looking forward to Eliot gladly took Ignis up on her offer and began a journey of self discovery and success Under Ignis close watch Eliot started to figure out what the dragon s breath meant He practiced every day but at first it was hard for him to control the strange wild force inside him Eliot was not scared though Being able to use his skills better getting stronger and feeling more confident came with each day While Eliot lived in the woods they helped him grow as a person and learn new things From the snow covered hills to the faraway valleys Eliot and Ignis built a friendship based on trust respect and a love of adventure Eliot learned important things about his bravery determination and heart s strength as he got better at using fire and ice This started Eliot s adventure as he worked to improve his skills so that he could use them to keep his kingdom safe The path was not always safe There were times when fear and danger were present But Eliot was determined to be the hero he was meant to be so he took on every task with all the zeal of a dragon So a young prince and an old dragon set out on a mythical journey in the hidden valley of the mountains They went on a journey of learning together and learned how strong a young prince s heart really is and how powerful dragon breath really is Chapter 2 The First Flame As young Prince Eliot works with the old dragon Ignis to become a great fire breather an important part of his interesting journey is told The first flame s flare which is a sign of strength and hope marks the beginning of this skill which is very important for his goal to beat the powerful Hell Brute Ignis shows Eliot the most basic fact about dragons they can breathe fire Her eyes are as deep as information that lasts forever Ignis teaches Eliot that breathing fire is more than just letting flames come out of your mouth To call on the inner elemental power you need a careful mix of inner strength willpower and bravery He tells Eliot that the fire breath comes from the heart which is where our bravest and strongest feelings are It s about getting in touch with your wild savage energy and controlling it with a clear mind and a strong will Eliot listens carefully and you can see determination in his eyes He thought it would be easy to breathe fire for the first time but it hurts more than he thought At first all he can do is make a few wisps of smoke Then he gets a little spark that goes out before it can catch fire Eliot is upset and disappointed He was eager to get good at this skill quickly to show that he was ready to fight the Hell Brute But Ignis who is smart and patient tells Eliot that every big trip starts with a small one and that

getting good at something takes time and work Eliot works out every day The harsh winds and whirling snow on the mountain teach him to center his thoughts and calm down He learns from Ignis how to use his inner fire and feel the heat of bravery and drive Eliot gets stronger and learns more about his inner power with each new challenge At first he had trouble starting even a small flame but finally he was able to get it going and the fire started dancing to his music By taking a deep breath and putting all of his resolve into one thing Eliot makes a big step forward Things are more determined for him than ever As soon as he lets go a strong bright jet of flame shoots out of him and lights up the snow around him in a warm golden glow It makes Eliot feel very proud and amazed to see the flames that his breath has made He did it his first fire breath came out This starting flame is more than just the first step to beating the Hell Brute it also shows how Eliot has grown and how he can face and overcome obstacles For him it shows that even the hardest things can be done with patience hard work and the help of an experienced guide Eliot's power to breathe fire which was once just a dream is now becoming a real weapon he can use Ignis knows that this is just the start because she has seen how Eliot has changed The problems you'll face don't start when you learn how to breathe fire At this point though Eliot has won a huge victory not only has he learned a dragon skill he had forgotten but he has also realized the power of his own soul Eliot knows the road ahead is rough and unknown as he stands in the light of his first flame He is surer of himself now that he has the fire breath though It used to be impossible to face the Hell Brute but the fear is starting to fade I think Eliot knows that there is still a lot to learn and do But with Ignis by his side and the dragon's breath inside him he's ready for anything that comes his way When the first spark goes off Eliot's journey hits a turning point It means the end of the beginning and the beginning of a new part of his trip Eliot goes into the unknown with fire by his side ready to improve his skills take on new challenges and finally face the Hell Brute with the bravery and strength of a true hero
