Dragon Murder Case:

The Dragon Murder Case (a Philo Vance Detective Story) S. S. Van Dine, 2016-01-18 This early work by S S Van Dine was originally published in 1933 and we are now republishing it with a brand new introduction The Dragon Murder Case is one of Van Dine s novels of crime and mystery S S Van Dine was born Willard Huntington Wright in Charlottesville Virginia in 1888 He attended St Vincent College Pomona College and Harvard University but failed to graduate leaving to cultivate contacts he had made in the literary world At the age of twenty one Wright began his professional writing career as literary editor of the Los Angeles Times In 1926 Wright published his first S S Van Dine novel The Benson Murder Case Wright went on to write eleven more mysteries The first few books about his upper class amateur sleuth Philo Vance were so popular that Wright became wealthy for the first time in his life His later books declined in popularity as the reading public s tastes in mystery fiction changed but during the late twenties and early thirties his work was very successful [The Dragon Murder Case](#) S. S. Van Dine, 2020-10-10 That sinister and terrifying crime which came to be known as the dragon murder case will always be associated in my mind with one of the hottest summers I have ever experienced in New York Philo Vance who stood aloof from the eschatological and supernatural implications of the case and was therefore able to solve the problem on a purely rationalistic basis had planned a fishing trip to Norway that August but an intellectual whim had caused him to cancel his

arrangements and to remain in America Since the influx of post war nouveau riche Americans along the French and Italian Rivas he had forgone his custom of spending his summers on the Mediterranean and had gone after salmon and trout in the streams of North Bergenhus But late in July of this particular year his interest in the Menander fragments found in Egypt during the early years of this century had revived and he set himself to complete their translation a work which you may recall had been interrupted by that amazing series of Mother Goose murders in West 75th Street [The Dragon Murder Case](#) S. the intricate ratiocination of crime Personally I think Vance s criminal investigations were closer to his heart than the scholastic enterprises on which he was constantly embarking for though his mind was ever seeking out abstruse facts in the realm of cultural lore he found his greatest mental recreation in intricate problems wholly unrelated to pure learning Criminology satisfied this yearning in his nature for it not only stimulated his analytical processes but brought into play his knowledge of recondite facts and his uncanny instinct for the subtleties of human nature *The Dragon Murder Case* S. S. Van Dine,2009-09-09 *The Dragon Murder Case* Willard Huntington Wright,2021-08-30 In *The Dragon Murder Case* Willard Huntington Wright employs a masterful blend of detective fiction and psychological insight constructing a narrative that delves into the complexities of human motivation and the mechanics of crime Set against the backdrop of a richly imagined early 20th century Los Angeles the novel showcases Wright s signature style characterized by meticulously crafted prose clever dialogue and intricate plotting This work is notable for pioneering the subgenre of intellectual mystery presenting not just a puzzle to be solved but an exploration of moral ambiguities and the darker facets of the human psyche reflecting the literary trends of its time as it challenges both the detective genre and societal norms Wright also known by his pen name Anthony Abbot was deeply influenced by his experiences in journalism philosophy and psychology all of which informed his narrative approach and thematic concerns in *The Dragon Murder Case* His fascination with the detective genre emerged from a cultural milieu that celebrated rationality and deductive reasoning allowing him to foreground the importance of logic in unraveling complex social issues Each of his literary endeavors conveys the tension between intellectual rigor and human emotion rooted in a desire to understand the philosophical implications of crime This book is a must read for enthusiasts of classic detective fiction and those intrigued by psychological depth in storytelling Wright s incisive exploration of motive and morality offers not only a gripping narrative but also a profound commentary on human nature Readers seeking a cerebral challenge combined with rich character development and a thrilling plot will find *The Dragon Murder Case* to be an essential addition to their literary repertoire [Mystery Movie Series of 1930s Hollywood](#) Ron Backer,2012-08-01 This companion volume to [Mystery Movie Series of 1940s Hollywood](#) McFarland 2010 focuses on 22 series and 167 individual films primarily released during the 1930s It was a decade that featured some of the most famous cinema detectives of all time among them Charlie Chan Nick and Nora Charles Philo Vance Nancy Drew and such lesser known but equally entertaining figures as Hildegarde Withers Torchy Blane Mr Moto Mr Wong and Brass Bancroft Each mystery movie series is placed within its historical context with emphasis on its source material and the changes or developments within the series over time Also included are reviews of all the series films analyzing the quality and cohesiveness of the mystery plotlines For titles based on literary sources a comparison between the film and the written work is provided [The Philo VanCe Murder Cases](#) S. S. Van Dine,2010-11 *Dragons and games of chance and Philo Vance s game of death* In the fourth Leonaur volume of the *Philo Vance Murder Cases* we find the urbane New Yorker tackling a

particularly puzzling crime In The Dragon Murder Case the seventh tale a guest visiting a country house dives into the swimming pool and instead of climbing out again disappears completely Suspicions are quickly raised concerning the intervention of a vengeful dragon but Philo Vance is not so sure He is as devotees know an expert in disappearances criminals dragons and how to solve a whodunit that would baffle anyone else In the The Casino Murder Case Vance receives an anonymous letter alerting him to imminent danger to a member of his own family If he wants information which will assist him in averting the threat he must visit a certain Casino to find it Predictably once there the body count starts to rise Vance once more has a case on his hands and a killer to uncover and this time the preferred weapon is the poison bottle This is another satisfying helping of detective fiction by one of its masters with more to come as Leonaur publishes the complete collection of these classic stories *Heritage Vintage Movie Poster Signature Auction 2005 Catalog #617* Ivy Press,2005-06
