N BOOTHE, 2026-03-18 An epic high fantasy romance steeped in atmospheric world building multiple realms and sweeping high stakes magic inspired by the mythic energy of xianxia the emotional depth of xuanhuan and the fierce elegance of wuxia style Qi combat Through lyrical deeply evocative prose the story unfurls a tapestry of desire romances fierce enough to defy fate charged with sensual intensity and shadowed by secrets that guard the most vulnerable hearts For new adult and adult readers it promises an immersive journey where passion destiny and realm shaping magic entwine in devastatingly powerful and unforgettable ways Quin has always walked between shadows of fear and quiet hope She grew up in a loving home and among loyal friends yet an ache remained an emptiness she could never name Her mother died the day she was born leaving a void she learned to hide behind gentle laughter Quin learned to smile to be kind and to bury the weight she carried so deeply that even she forgot it was there Her beauty and warm nature draw others to her with ease Admiration gathers softly around her settling unspoken in the hearts of those who walk beside her Quin never sought such attention she often steps back from emotions she does not fully

understand unsure of what she is allowed to feel When she chooses to forget her past she thinks she is protecting herself Instead she buries the brightest parts of who she was Then her memories return all at once sweeping through her like wind through dry leaves Something ancient stirs within her Not a spark but a quiet powerful awakening As her Essence shifts the realms themselves begin to respond In the Lower Transitory and Eternal Realms Qi twists in restless patterns Essence trembles beneath the surface of the land Ancient forces begin to watch They move softly hidden in shadow testing the edges of the world In distant skies corrupted dragons circle with patient hunger Old boundaries weaken Mighty beasts surge where they were once held back Quin is not alone Companions gather around her some through fate some through loyalty and others for reasons they refuse to speak aloud Together they form bonds that feel like the family she never had But even those bonds are fragile Hearts are complicated Some carry affection they dare not reveal Some act from jealousy Some protect too fiercely Others let ambition or fear pull them down dangerous paths Trust frays in quiet ways not always by Quin s hand but through the tangled stories of those who care for her Luo stands among them steady loyal unwavering His devotion to Quin runs deep though he rarely voices it Yet devotion has enemies With distance between realms forcing their bond into secrecy hidden hands move to separate them Truth twists into shadow Doubt creeps in where certainty once lived And in the quiet corners of the realms those who understand the power of a fracture wait for their moment to strike As dangers rise and long buried truths claw their way into the open Quin faces a choice She can continue running from the past that wounded her or she can confront it and reclaim the self she lost Because within her lies a fire that refuses to fade gentle fierce rising and it may be the only force strong enough to shape the fate of every realm An epic high fantasy romantasy steeped in atmospheric world building multiple realms and sweeping high stakes magic inspired by the mythic energy of xianxia the emotional depth of xuanhuan and the fierce elegance of wuxia style Qi combat Through lyrical deeply evocative prose the story unfurls a tapestry of desire romances fierce enough to defy fate charged with sensual intensity and shadowed by secrets that guard the most vulnerable hearts For new adult and adult readers it promises an immersive journey where passion destiny and realm shaping magic entwine in devastatingly powerful and unforgettable ways
