**Navola** Paolo Bacigalupi, 2024-07-09 From the New York Times best selling author of The Windup Girl and The Water Knife comes a sweeping literary historical fantasy about the young scion from a ruling class family who faces rebellion as he ascends to power Steeped in poison betrayal and debauchery reading Navola is like slipping into a luxurious bath full of blood Holly Black 1 New York Times best selling author You must be as sharp as a stiletto's dagger and as subtle as a fish beneath the waters This is what it is to be Navolese this is what it is to be di Regulai In Navola a bustling city state dominated by a handful of influential families business is power and power is everything For generations the di Regulai family merchant bankers with a vast empire has nurtured tendrils that stretch to the farthest reaches of the known world And though they claim not to be political their staggering wealth has bought cities and toppled kingdoms Soon Davico di Regulai will be expected to take the reins of power from his father and demonstrate his mastery of the games of Navolese diplomacy knowing who to trust and who to doubt and how to read what lies hidden behind a smile But in Navola strange and ancient undercurrents lurk behind the gilt and grandeur like the fossilized dragon eye in the family's possession a potent symbol of their raw power and a talisman that seems to be summoning Davico to act As tensions rise and the events unfold Davico will be tested to his limits His fate depends on the eldritch dragon relic and on what lies buried in the heart of his adopted sister Celia di Balcosi whose own family was destroyed by Navola's twisted politics With echoes of Renaissance Italy The Godfather and Game of Thrones
