Dragons Milk:

Dragon's Milk Susan Fletcher, 2009-11-24 You must go to the dragon You must leave tonight Before she even hears the words Kaeldra already knows what she must do She must search out the mother dragon whose draclings have just hatched and somehow get some of her precious milk It s the only way to save her foster sister s life Kaeldra would rather not go It s much too terriffying much too dangerous But Kaeldra knows that she s the only one who can do it For she is the only one who can actually communicate with dragons But little does Kaeldra know what she s getting into She s about to begin a journey that will entwine her fate with that of three little draclings and one would be dragonslayer A journey she will become a struggle for life

DRAGON'S MILK Fletcher, 1992 Kaeldra an outsider adopted by an Elythian family as a baby possesses the power to understand dragons and uses this power to try to save her younger sister who needs dragon s milk to recover from an illness
