Dream Of Gerontius:

The Dream of Gerontius John Henry Newman,1910 **The Dream of Gerontius** Cardinal John Henry Newman,2018-06-08 This epic poem was once set to song in the early 1900 s and now stands as a testament to the great poetic works of the time it was originally written in Many have gone so far as to compare the Dream of Gerontius to Dante s Divine Comedy which is a great comparison of such a lesser known work but that has great theological truths to is that it can be an important addition to anyone s library This poem tells of an old man s journey into purgatory after he dies and what he sees when he has encountered such beings as angels and demons Although the work is definitely Catholic in scope some of the issues it addresses within its verses are topics and of the great Christian traditions can serious take to heart **The Dream of Gerontius. Porter,Wendy J. Porter,2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more

than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us
