Dream Stone Moon:

Dream Stone Moon Paul Leonard, 1998 Sam is on her own but her distance from the Doctor doesn't make for a trouble-free life. Rescued from an out-of-control spaceship she finds herself on a tiny moon which is the only known source of dreamstone a mysterious crystalline substance that can preserve your dreams or give you nightmares. Pitched into the middle of a conflict between a mining company extracting dreamstone and ecological protesters Sam thinks it's easy to decide who the good guys are until people start dying and the killers seem to be the same species as some of her new friends. Meanwhile the Doctor has tracked Sam down but before he can reach her he's co-opted by the Dreamstone Mining Company and their sinister military advisers. Suddenly it's war and the Doctor is forced to fight against what he believes in. He alone suspects that dreamstone isn't what it appears to be. But nobody's listening and nobody could dream who the real enemy is. Page 4 of cover

Ancient Moon Wisdom Miriam Maron, 2012-12-14 Long ago mystics believed that along with every renewal of the phases of the Moon came shifts within the souls of all stones, plants, animals, and yes even humans. This book highlights these shifts and explains how we are affected by them, how to tap into them for wholesome living, and how to engage obstacles we might encounter along the way. Drawing from a rich treasury of ancient Hebraic mystery, wisdom, and her many years of experience as a spiritual healer and counselor, Miriam Maron introduces us to the remarkable interplay between the months of the yearly cycle and tribal archetypes in the Hebraic tradition. She discusses each month's corresponding animal, mineral, and plant totems. In *Ancient Moon Wisdom* one will discover important life lessons from the histories and mythologies surrounding these archetypes and the deeper meanings behind each of their corresponding months, all of which will prove helpful in one's personal unfolding.

The Shaman's Dreamstone J. Price, 2006-07 After a terrible first day of sixth grade at his new middle school, Ryan Evans's life takes a dramatic turn when he comes home to discover a shocking family secret. Ryan's grandfather, whose very existence has been kept from him, has died. As if that weren't enough, he learns that his grandfather was a native Shaman. In ancient times, Shamans were believed to possess special powers. Ryan's grandfather has left him a mysterious pendant and a cryptic letter that reads: "Keep it close to you when you sleep, and it will help you realize who you truly are and all that you are capable of achieving." As the mystery of the pendant begins to unravel, Ryan comes to understand the ramifications of his grandfather's gift and its true meaning. During the day, Ryan contends with typical sixth-grade concerns: bullies, an angry teacher, and worried parents. But at night, Ryan journeys into a strange dreamworld where dark spirits have invaded the land of the Meono tribe. Ryan must overcome his fears to help his friends Oni Roli and the rest of the Meono tribe put an end to the devastation inflicted by the shadow creatures that are destroying their world. Will Ryan defeat these evil spirits before the Tri-Lunar Eclipse and fulfill his true
