**CIA Lock Picking** Central Intelligence Agency, 2012-07 Did you ever lose your keys

Lock picking is the skill of unlocking a lock by analyzing and manipulating the components of the lock device without the original key Although lock picking can be associated with criminal intent it is an essential skill for a locksmith Lock picking is the ideal way of opening a lock without the correct key while not damaging the lock allowing it to be rekeyed for later use which is especially important with antique locks that would be impossible to replace if destructive entry methods were used
