Comprehensive Name Index For The American Slave:

A Comprehensive Name Index for The American Slave, 1997-05-12 Indexes names in the American slave a composite autobiography by George P Rawick The Oxford Handbook of the African American Slave Narrative John Ernest, 2014-02-28 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies The Oxford Handbook of the African American Slave Narrative will offer a fresh wide ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre s imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron s *The Confessions of Nat Turner* Toni Morrisons s *Beloved* and Octavia Butler s provocative science fiction novel *Kindred* In short the Handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

history's effect on the African people who found themselves forcibly part of the United States with a new look at how African Americans in later generations impacted the rest of the world. Designed for a range of students studying African American History or African American Studies, *The African American People* takes the story from Africa to the Americas and follows the diaspora through the Underground Railroad to Canada and on to Europe, Asia, and around the globe. Including over 50 images documenting African American lives, *The African American People* presents the most detailed discussion of the African and African American diaspora to date, giving students the foundation they need to broaden their conception of African American History.

African American Genealogical Sourcebook Paula Kay Byers, 1995. Gale has launched another new project. *Genealogical Sourcebook* series and the first volumes look promising. The remaining volumes on Asian Americans and Native Americans will be published this summer. Libraries can order all four volumes for 239 0 8103 8541 4. Part 1 of each volume consists of informative essays on immigration and migration, basic genealogical methods and resources, and problems specific to ethnic genealogy, such as naming practices, the reuse of graves where families could not afford perpetual sites, and reasons for deliberate falsification of records. Explanations and tips on accessing records specific to these groups, such as those of the Freedmen's Bureau and the Inquisition records of religious orders, and an overview of newspaper ads and Hispanic heraldry are instructive and pragmatic. Tables, examples, and an extensive bibliography are included. Part 2, *Directory of Genealogical Information*, lists libraries and archives, public and private organizations, print resources, and other media that hold materials relevant to genealogists, whether their focus is on genealogy in general or on a specific ethnic group. Libraries and archives are listed geographically: those outside the U.S. are in Canada for African Americans and in Guatemala, Spain, Mexico, Argentina, Peru, Uruguay, Venezuela, Cuba, Chile, Colombia, Ecuador, and Canada for Hispanic Americans. There are surprisingly few listings for Florida, which has a substantial Hispanic population. Private and public organizations include commercial ventures, publishers, researchers for a fee, bookstores, and nonprofits, genealogical societies, the American Antiquarian Society, etc. The section entitled *Print Resources* lists many sources from the 1980s, but there are also current publications. The author and title organization indexes access only the products and sources listed in part 2. The subject index accesses the essays in part 1. Libraries that hold books such as George R. Ryskamp's *Tracing Your Hispanic Heritage* (1984) will want to keep them for their scholarly thoroughness. They will want to add these new books for their relative currency and for their simpler explanations of complicated facets of black and Hispanic culture. BL 05 15 1995 *Voices of the Formerly Enslaved in Louisiana* Andrea Livesey, 2025-09-17. In the 1930s, thousands of formerly enslaved Americans were interviewed across the United States as part of the Works Progress Administration's Federal Writers Project. While most of those interviews were subsequently published, Louisiana's were not. Gathered here for the first time in complete and contextualized form are the full interviews with the formerly enslaved in Louisiana, the transcripts of which had been separated, fragmented, and distributed throughout archives in the state. Reassembled and analyzed by historian Andrea Livesey, the interviews are critical for

understanding how Black Louisianans experienced enslavement but also resisted and built distinctive cultures communities and families in spite of it Equally important is the testimony of how they negotiated emancipation and built relationships after freedom Livesey discusses the impact of Lyle Saxon a well known writer who headed the Louisiana branch of the Writers Project and Louisiana poet Marcus B Christian who led the segregated Black unit Other unique aspects of the collection are interviews in Kouri Vini and Louisiana French and descriptions of Voodoo Marie Laveau and medicine practiced in Black communities of the era Livesey invites readers to pay critical attention to how the interviewers may have influenced the narrative preserved in the archive through interpersonal dynamics or editing as they transcribed the interview Alongside the extended introduction to the volume this analysis sheds light on the administrative structures and racialized dynamics that initially shaped the interviews

Coming Through Kincaid Mills, Genevieve C. Peterkin, Aaron McCollough, 2023-03-20 Oral histories of formerly enlaved people and their families along the South Carolina coast *Coming Through* marks the first complete publication of these interviews with former slaves and their descendants living in the Waccamaw Neck region of South Carolina as collected by Genevieve W Chandler as part of the WPA Federal Writers Project Between 1936 and 1938 Chandler interviewed more than one hundred individuals in and around All Saints Parish a portion of Horry and Georgetown counties located between the Waccamaw River and the Atlantic Ocean Her subjects spoke freely with her on topics ranging from slave punishment to folk medicine from conditions in the Jim Crow South to the exploits of Brer Rabbit A teacher artist writer and later museum curator Chandler had no formal training as an oral historian or folklorist yet the sophistication of her work as documented here anticipates developments in these fields of study a generation later Her detailed descriptions add social context to folktales and her careful and systematic renderings of the Gullah language have since been praised as foundational work by Creole linguists Chandler s Gullah speaking African American informants range in age from the 9 year old George Kato Singleton to 104 year old Welcome Bees A biography of each subject accompanies the interviews Collectively these interviews form an intimate portrait of a fascinating subculture of the Carolina coast and the Sea Islands as shared with a remarkable woman who has special access to converse with the

people of this traditionally insular world Moreover they provide an unparalleled firsthand account of the African American experience in South Carolina in the words of those who lived it The volume is edited by Chandler s daughter Genevieve C Peterkin and two scholars Kincaid Mills and Aaron McCollough The three have carefully established the texts of the interviews in a manner that highlights Chandler s skills as a field linguist and have supplemented the texts with revealing documentation The collection is enhanced with a foreword by Charles W Joyner Burroughs Distinguished Professor of History at Coastal Carolina University appendixes respecting the WPA project and the nuances of Gullah language and culture and photographs of the subjects taken by renowned photographer Bayard Wootten many published here for the first time

Acquisitions List, African-American Collection University of Pittsburgh. University Library System,1997 Bearing Witness George E. Lankford,2006-03-01 The first edition of Bearing Witness brought together for the first time 176 slave narratives from the state of Arkansas Now this new edition adds ten previously undiscovered accounts No one knew the truths of slavery better than the slaves themselves but no one consulted them until the 1930s Then recognizing that this generation of unique witnesses would soon be lost to history the Works Progress Administration s Federal Writers Project acted to interview as many former slaves as possible In a continuation of the project s interest in the life histories of ordinary people writers interviewed over two thousand former slaves more than a third of them in Arkansas These oral histories were first published in the 1970s in a thirty nine volume series organized by state and they transformed America s understanding of slavery They have offered crucial evidence on a variety of other topics as well the Civil War Reconstruction agricultural practices everyday life and oral history itself But some former Arkansas slaves were interviewed in Texas Oklahoma and other states so their narratives were published in those other collections And more than half of the testimonies in the Arkansas volume were interviews with people who had moved to Arkansas after freedom Folklorist George Lankford combed all of the state collections for the testimonies properly belonging to Arkansas and deleted from this state s collection the testimony of later migrants **National Genealogical Society Quarterly** National Genealogical Society,2003
