Clark Gable:

Clark Gable Warren G. Harris,2010-09-01 Clark Gable arrived in Hollywood after a rough and tumble youth and his breezy big boned everyman persona quickly made him the town s king He was a gambler among gamblers a heavy drinker in the days when everyone drank seemingly all the time and a lover to legions of the most attractive women in the most glamorous business in the world including the great love of his life Carole Lombard In this well researched and revealing biography Warren G Harris gives an exceptionally acute portrait of one of the most memorable actors in the history of motion pictures whose intimates included such legends as Marilyn Monroe Joan Crawford Loretta Young David O Selznick Jean Harlow Judy Garland Lana Turner Spencer Tracy and Grace Kelly as well as a vivid sense of the glamour and excess of mid century Hollywood [Clark Gable, in Pictures](#) Chrystopher J. Spicer,2011-10-14 From the very beginning of Clark Gable s

screen career the life of the glamorous film star came under the scrutiny of the camera While audiences are familiar with the public Gable as seen through the studio lens the private Gable as seen in photos taken by members of the public friends and family is much less known This collection of candid photographs many of them published here for the first time has been compiled by biographer Chrystopher J Spicer from his archives and from sources around the world As with Spicer s acclaimed centenary biography *Clark Gable* McFarland 2002 this volume provides rare insight into the life of the man behind the star *Clark Gable* David Bret,2008-10-22 From the acclaimed author of *Joan Crawford* comes a riveting and uncensored biography of Clark Gable The archetypal male of his era Gable was named King of Hollywood in 1938 But as David Bret reveals the star was not quite who he seemed One of Gable s best kept secrets was his bisexuality Bret recounts Gable s failed marriages to women who turned a blind eye toward his affairs with actors Earl Larimore and Rod La Rocque among other men Bret also reveals how a pseudo scandalous paternity suit and the actor s wartime accomplishments were no more than elaborate publicity stunts created by studio chief Louis B Mayer in order to exaggerate Gable s masculinity and heroism in the public eye With passion and accuracy Bret uncovers the truth behind one of Hollywood s biggest stars

Neibaur,2021-04-09 The 1930s represented the strongest and most significant decade in Clark Gable s career Later known as The King of Hollywood Gable started out as a journeyman actor who quickly rose to the level of star and then icon With his ruggedly attractive looks and effortless charisma Gable was the sort of manly romantic lead that bolstered features alongside the likes of Jean Harlow Joan Crawford and Spencer Tracy The decade culminated with Gable s most

noted movie *Gone With the Wind* This book traces Gable's early career film by film offering background information and a critical assessment of each of his movies released during the 1930s **American Legends** Charles River Charles River Editors, 2013-09-24 Includes pictures of important people places and events Includes Gable's quotes about his own life and working with other Hollywood stars Includes a bibliography for further reading The only reason they come to see me is that I know that life is great and they know I know it Clark Gable The 1930s were without a doubt the height of the classical Hollywood era It is no accident that 1939 has historically been designated as the pinnacle of Hollywood film history The era was known for its lavish studio productions with MGM RKO Warner Brothers Paramount and 20th Century Fox all operating at the height of their powers Every major studio possessed a long roster of contract players with films released at such a rapid pace that it made for an especially competitive environment within the industry Even while America remained in the throes of the Great Depression the film industry continued to flourish and movies easily supplanted the theater as the main attraction for American entertainment Indeed it would be no exaggeration to claim that the film industry reached its zenith during the decade precisely because it offered an affordable if very temporary escape from the anxieties of the economic woes of the era The 1930s were also a time in which Hollywood boasted an unprecedented array of famous leading men Gary Cooper Cary Grant James Stewart and Fred Astaire were just a handful of the A list stars of the decade and it is in this context that the achievements of Clark Gable are particularly remarkable Best known for his role in *Gone with the Wind* 1939 Gable reached the ranks of the Hollywood elite well before the end of the decade through acting in films such as *It Happened One Night* 1934 and *Mutiny on the Bounty* 1935 Gable had a unique appeal that captivated Depression era audiences while Cary Grant offered a sophisticated charm and Fred Astaire was tied to the musical genre Gable brought an air of sophistication that was less comical than that of Grant and appealed to both genders unlike Astaire At a time when so many Americans were financially destitute Gable managed to appear classy without coming across as snobbish At the same time his virile masculinity was not overly macho or misogynist For these reasons Gable was able to captivate male and female viewers alike and his mass appeal was a driving force behind the commercial success of *Gone With the Wind* possibly the most beloved Hollywood film ever made As iconic director John Huston once stated Clark Gable was the only real he man I've ever known of all the actors I've met Even if Gable is perhaps less widely known than Grant or Astaire among 21st century audiences examining the effect he had on viewers during the 1930s and 1940s allows a better understanding of Hollywood during its Golden Age In conjunction with that his career served as a sort of response to his upbringing and cultural background In fact there was a significant gap between his glamorous roles on the movie screen and the real life adversity he faced from an early age Gable faced great challenges throughout his entire career from the death of his biological mother to the death of wife Carol Lombard in 1942 As with any famous actor he was the recipient of great fortune yet it is important to recognize that his many opportunities did not preclude him from experiencing great pain and tragedy **American Legends** The

Life of Clark Gable examines the life and career of one of Hollywood's most iconic leading men. Along with pictures of important people, places, and events, you will learn about Clark Gable like never before in no time at all. **Clark Gable.** **[With Portraits.]** R. Ewart WILLIAMS, 1935. LIFE, 1960-11-28. LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest most amazing collection of professional photography on the internet. Users can browse, search, and view photos of today's people and events. They have free access to share, print, and post images for personal use. *Movie Stars Do the Dumbest Things* Margaret Moser, Michael Bertin, Bill Crawford, 1999-10-29. Johnny Depp, Marilyn Monroe, Marlon Brando, Leonardo DiCaprio, Woody Allen, Sharon Stone. What do all of these actors have in common? They're outrageous, receive huge salaries, have enormous egos, and have way too much spare time. Their out-of-control lifestyles prove that, as one Hollywood observer noted, Hollywood is a trip through a sewer in a glass-bottomed boat. You'll learn which director was furious when he was misquoted as saying "Actors are cattle." He claimed he had really said "Actors should be treated as cattle." You'll discover that Bruce Willis ordered the final scenes in *Striking Distance* to be re-shot at a cost of over 750,000 because the original shots exposed his toupee. You'll find that Melanie Griffith explained her ignorance of the Nazi Holocaust by saying "I don't know why I didn't know. Maybe I missed school that day. I'm not stupid." Whether you're a fan of Hugh Grant, Dennis Hopper, or Whoopi Goldberg, you'll learn about all of the embarrassing moments in your favorite star's life. From actors like Ben Affleck and Cameron Diaz to screen legends like Frank Sinatra and Judy Garland, *Movie Stars Do the Dumbest Things* is proof that actors are more childish and impulsive than you've ever imagined. **Clark Gable** René Jordan, 1974.
