This is not a lovely polished dogmatically correct collection of Biblical legalism nor is it a collection of head in the clouds religious fluff or hellfire and brimstone Bible thumping However it is about smoothing out some of our sharp edges at least the ones that need to be in God s eyes I m just an average joe punching a clock for God meaning God owns this ministry factory not me I just work here so all credit goes to Him that would like to see more people in this world living powerful lives in love with the Lord rather than the pathetic power less pointless existence that so many people seem to be awakening to every morning In short I simply want more people to love and experience our awesome God the way I have in my life Rev C J Lang
