Dallas The Making Of A Modern City:

Dallas Patricia Evridge Hill, 2010-01-01 From the ruthless deals of the Ewing clan on TV's Dallas to the impeccable customer service of Neiman Marcus doing business has long been the hallmark of Dallas Beginning in the 1920s and 1930s Dallas business leaders amassed unprecedented political power and civic influence which remained largely unchallenged until the 1970s In this innovative history Patricia Evridge Hill explores the building of Dallas in the years before business interests rose to such prominence 1880 to 1940 and discovers that many groups contributed to the development of the modern city In particular she looks at the activities of organized labor women's groups racial minorities Populist and socialist radicals and progressive reformers all of whom competed and compromised with local business leaders in the decades before the Great Depression This research challenges the popular view that business interests have always run Dallas and offers a historically accurate picture of the city's development The legacy of pluralism that Hill uncovers shows that Dallas can accommodate dissent and conflict as it moves toward a more inclusive public life Dallas will be fascinating and important reading for all Texans as well as for all students of urban development

Dallas Patricia Evridge Hill, 1996 From the ruthless deals of the Ewing clan on TV's Dallas to the impeccable customer service of Neiman Marcus doing business has long been the hallmark of Dallas Beginning in the 1920s and 1930s Dallas business leaders amassed unprecedented political power and civic influence which remained largely unchallenged until the 1970s In this innovative history Patricia Evridge Hill explores the building of Dallas in the years before business interests rose to such prominence 1880 to 1940 and discovers that many groups contributed to the development of the modern city In particular she looks at the activities of organized labor women's groups racial minorities Populist and socialist radicals and progressive reformers all of whom competed and compromised with local business leaders in the decades before the Great Depression This research challenges the popular view that business interests have always run Dallas and offers a historically accurate picture of the city's development The legacy of pluralism that Hill uncovers shows that Dallas can accommodate dissent and conflict as it moves toward a more inclusive public life Dallas will be fascinating and important reading for all Texans as well as for all students of urban development

The Modern City, 1925 **The City in Texas** David G. McComb, 2015-02-15 Texans love the idea of wide open spaces and before World War II the majority of the state's people did live and work on the land Between 1940 and 1950 however the balance shifted from rural to urban and today 88 percent of Texans live in cities and embrace the amenities of urban culture The rise of Texas cities is a fascinating story that has not been previously told Yet it is essential for understanding both the state's history and its contemporary character In *The City in Texas* acclaimed historian David G. McComb chronicles the evolution of urban Texas from the Spanish Conquest to the present Writing in lively sometimes humorous and provocative prose he describes how commerce and politics were the early engines of city growth followed by post Civil War cattle shipping oil discovery lumbering and military needs McComb emphasizes that the most transformative

agent in city development was the railroad This technology accompanied by telegraphs that accelerated the spread of information and mechanical clocks that altered concepts of time revolutionized transportation enforced corporate organization dictated town location organized space and architecture and influenced thought McComb also thoroughly explores the post World War II growth of San Antonio Dallas Fort Worth Austin and Houston as incubators for businesses educational and cultural institutions and health care centers *Populism in the South Revisited* James M. Beeby, 2012-01-26

The Populist Movement was the largest mass movement for political and economic change in the history of the American South until the Civil Rights Movement of the 1950s and 1960s The Populist Movement in this book is defined as the Farmers Alliance and the People s Party as well as the Agricultural Wheel and Knights of Labor in the 1880s and 1890s The Populists threatened the political hegemony of the white racist southern Democratic Party during populism s high point in the mid 1890s and the populists threw the New South into a state of turmoil *Populism in the South Revisited* New Interpretations and New Departures brings together nine of the best new works on the populist movement in the South that grapple with several larger themes such as the nature of political insurgency the relationship between African Americans and whites electoral reform new economic policies and producerism and the relationship between rural and urban areas in case studies that center on several states and at the local level Each essay offers both new research and new interpretations into the causes course and consequences of the populist insurgency One essay analyzes how notions of debt informed the Populist insurgency in North Carolina the one state where the Populists achieved statewide power while another analyzes the Populists failed attempts in Grant Parish Louisiana to align with African Americans and Republicans to topple the incumbent Democrats Other topics covered include populist grassroots organizing with African Americans to stop disfranchisement in North Carolina the Knights of Labor and the relationship with populism in Georgia organizing urban populism in Dallas Texas Tom Watson s relationship with Midwest Populism the centrality of African Americans in populism a comparative analysis of Populism across the Deep South and how the rhetoric and ideology of populism impacted socialism and the Garvey movement in the early twentieth century Together these studies offer new insights into the nature of southern populism and the legacy of the Peoples Party in the South

Barrio America A. K. Sandoval-Strausz, 2019-11-12 The compelling history of how Latino immigrants revitalized the nation s cities after decades of disinvestment and white flight Thirty years ago most people were ready to give up on American cities We are commonly told that it was a creative class of young professionals who revived a moribund urban America in the 1990s and 2000s But this stunning reversal owes much more to another far less visible group Latino and Latina newcomers Award winning historian A K Sandoval Strausz reveals this history by focusing on two barrios Chicago s Little Village and Dallas s Oak Cliff These neighborhoods lost residents and jobs for decades before Latin American immigration turned them around beginning in the 1970s As Sandoval Strausz shows Latinos made cities dynamic stable and safe by purchasing homes opening businesses and reviving street life *Barrio America* uses vivid oral

histories and detailed statistics to show how the great Latino migrations transformed America for the better *The Best Books for Academic Libraries: History of the Americas*, 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers Urban America in the Modern Age Carl Abbott, 2007 Since the appearance of *Urban America in the Modern Age* in 1987 the study of American cities has flourished In this long awaited second edition Carl Abbott draws on the recent works of historians who have explored issues of urban growth municipal politics immigration and ethnicity suburbanization and environmental change The fascination with growth and change in the nation s metropolitan areas spans a wide range of scholarly fields and the new edition also benefits from scholarship in disciplines closely related to urban history including geography political science sociology and urban planning Featuring an entirely new chapter covering the years since 1980 and a bank of interesting photographs the second edition of *Urban America in the Modern Age* further explores and fine tunes the themes and topics central to its predecessor the physical form of metropolitan areas their sources of growth and mix of ethnic and racial groups the shaping of and responses to public policy and ideas of community planning Regionally balanced with examples from New York Boston and Chicago as well as Los Angeles Atlanta San Francisco Seattle Denver San Antonio Miami Charlotte Washington Detroit and Cleveland the second edition of *Urban America in the Modern Age* makes ideal supplementary reading for courses in Urban History twentieth century America as well as the second half of the U S survey **Pioneering in Modern City Missions** Edgar James Helms, 1927 **Urban Anthropology and Studies of Cultural Systems and World Economic Development**, 2005 The National Nurseryman, 1906 The Western Historical Quarterly, 1998 **Choice**, 2005 **Southwestern Historical Quarterly**, 2000 Book Review Digest, 1999 **How We Care** H. Lawrence Wilsey, 2003 This authoritative centennial history book of Baylor University Medical Center is an analytical and reference history of The development of Dallas and its medical community Visions missions and values that guided Baylor trustees and physicians Development of specialized medical care graduate medical education and research at Baylor Relationships with Texas Baptists Baylor University and other hospitals systems and medical schools Development of campuses and facilities Development of the metroplex wide Baylor Health Care System Financing of the medical center and health care system *City Planning Progress in the United States, 1917* American Institute of Architects. Committee on Town Planning, Ralph F. Warner, 1917 **American Cities** N. O. Kura, Tatiana Shohov, 2001 For nonfiction books alphabetically listed on eight US cities Baltimore Boston Chicago Dallas Denver Houston Los Angeles and Miami annotations consist mainly of the publication data table of contents Library of Congress classification and Dewey class number The books on Baltimore span the typical range of 1880 1999 Perhaps v 1 contains an introduction explaining the authors purpose backgrounds and city selection criteria Indexed by author and title Annotation copyrighted by Book News Inc Portland OR *Encyclopedia of Urban Cultures* Melvin Ember, Carol R. Ember, 2002 Presents articles on over 240 major cities around the world including demographic information

history politics public systems culture social life and future outlook *The First Texas News Barons* Patrick L. Cox, 2005-11

Newspaper publishers played a crucial role in transforming Texas into a modern state By promoting expanded industrialization and urbanization as well as a more modern image of Texas as a southwestern rather than southern state news barons in the early decades of the twentieth century laid the groundwork for the enormous economic growth and social changes that followed World War II Yet their contribution to the modernization of Texas is largely unrecognized This book investigates how newspaper owners such as A H Belo and George B Dealey of the Dallas Morning News Edwin Kiest of the Dallas Times Herald William P Hobby and Oveta Culp Hobby of the Houston Post Jesse H Jones and Marcellus Foster of the Houston Chronicle and Amon G Carter Sr of the Fort Worth Star Telegram paved the way for the modern state of Texas Patrick Cox explores how these news barons identified the needs of the state and set out to attract the private investors and public funding that would boost the state s civic and military infrastructure oil and gas industries real estate market and agricultural production He shows how newspaper owners used events such as the Texas Centennial to promote tourism and create a uniquely Texan identity for the state To balance the record Cox also demonstrates that the news barons downplayed the interests of significant groups of Texans including minorities the poor and underemployed union members and a majority of women

Dallas The Making Of A Modern City Introduction

In the digital age, access to information has become easier than ever before. The ability to download Dallas The Making Of A Modern City has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dallas The Making Of A Modern City has opened up a world of possibilities. Downloading Dallas The Making Of A Modern City provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dallas The Making Of A Modern City has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dallas The Making Of A Modern City. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dallas The Making Of A Modern City. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dallas The Making Of A Modern City, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Dallas The Making Of A Modern City has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF

resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Dallas The Making Of A Modern City Books

1. Where can I buy Dallas The Making Of A Modern City books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
