Sample Book Insights

- 1 Anger is a signal that something is wrong and it is up to us to listen to it We have long been discouraged from the awareness and expression of anger and this has led to the Taboo of Anger against women
- 2 We all have a right to everything we feel and our anger is no exception But there are questions we can ask ourselves to help us understand our anger What am I really angry about What is the problem and whose problem is it
- 3 If our old ways of dealing with anger are not working for us we may fall into one of two categories the nice lady category in which we attempt to avoid anger and conflict at all costs or the bitch category in which we get angry but participate in ineffective fighting complaining and blaming that leads to no constructive resolution
- 4 When we are nice we often accumulate a storehouse of unconscious anger and rage We may become more and more angry as we repress our anger and Guilt is a great way to block the awareness of anger
