Andrew Holleran

Dancer From The Dance:

Dancer from the Dance Andrew Holleran, 2001-12-18 One of the most important works of gay literature this haunting brilliant novel is a serio-comic remembrance of things past and still poignantly present It depicts the adventures of Malone a beautiful young man searching for love amid New York's emerging gay scene From Manhattan's Everard Baths and after hours discos to Fire Island's deserted parks and lavish orgies Malone looks high and low for meaningful companionship The person he finds is Sutherland a campy quintessential queen and one of the most memorable literary creations of contemporary fiction Hilarious witty and ultimately heartbreaking **Dancer from the Dance** is truthful provocative outrageous fiction told in a voice as close to laughter as to tears

Dancer from the Dance Andrew Holleran, 2023-12-05 A hymn to gay liberation in the city and to male beauty Darryl Pinckney T The New York Times Style magazine Nothing could be more beautiful than Holleran's tableaux of New York those hot summer city nights when lonely men sit on their stoops or their fire escapes and stare at that endless parade of unattainable lovers Boston Globe Andrew Holleran's landmark novel of a young man's search for love and companionship in New York's emerging gay world in the 1970s with a new introduction by Garth Greenwell Young astonishingly beautiful and tired of living a lie Anthony Malone trades life as a seemingly straight small town lawyer for the decadence of New York's emerging gay scene an odyssey that takes him from Manhattan's Everard baths and after hour discos to lavish orgies on Fire Island and parks after dark Rescuing Malone from a possessive lover and shepherding him through his immersion in this life of fierce joys and cheap truths is the flamboyant Sutherland a high camp quintessential queen But for Malone the endless city nights and Fire Island days are close to burning out and despite Sutherland's abundant attentiveness and glittering world weary wisdom Malone soon realizes what he is truly looking for may not be found in these beautiful places where life is crowded and people are forever outrunning their own desires and death

Romanticism, Gender, and Violence Nowell Marshall, 2013-07-22 Combining queer theory with theories of affect psychoanalysis and Foucauldian genealogy Romanticism Gender and Violence Blake to George Sodini theorizes performative melancholia a condition where regardless of sexual orientation overinvestment in gender norms causes subjects who are unable to embody those norms to experience socially expected normal gender as something unattainable or lost This perceived loss causes an ambivalence within the subject that can lead to self-inflicted violence masochism suicide or violence toward others sadism murder Reading a range of Romantic poetry and novels between 1790-1820 but ultimately moving beyond the period to show its contemporary cultural relevance through readings of Eliot's *The Mill on the Floss* Virginia Woolf's *Mrs Dalloway* Andrew Holleran's *Dancer from the Dance* and George Sodini's 2009 murder suicide case this study argues that we need to move beyond focusing on bullying teens and LGBT students and look at our cultural investment in gender normativity itself Doing so allows us to recognize that the relationship between non-normative gender performance and violence is not simply a gay problem it is a human problem that can affect people of any sex sexuality age race or

ethnicity and one that we can trace back to the Romantic period Bringing late 18th century novels into conversation with both canonical and lesser known Romantic poetry allows us to see that as people whose performance of gender occasionally exceeds the normal we too often internalize these norms and punish ourselves or others for our inability to adhere to them Contrasting paired chapters by male and female authors and including sections on failed romantic coupling melancholic femininities melancholic masculinities failed gender performance and madness and ending with a section titled After Romanticism this study works on multiple levels to complicate previous understandings of gender and violence in Romanticism while also offering a model for contemporary issues relating to gender and violence among people who fail to perform gender according to social norms

THE DANCER FROM THE DANCE In 1909 the entire world of dance changed forever when Les Ballets Russes under the brilliant impresario Serge Diaghilev departed St Petersburg and opened in Paris. They also made annual visits to the West End in London. Tragically during their 1913 tour two of their dancers are found murdered. Sherlock Holmes is brought into to find the murderer and prevent any more killings. The story adheres fairly closely to the incredible story of the reappearance of classical ballet in Western Europe and the introduction of modern interpretive dance.
