Dancing With Demons:

Dancing with Demons Miguel Garcia, 2009-11 I had been writing in a journal since I was very young probably about twenty years ago I am now thirty three I was always afraid of being mocked for my poetry One day a friend read my work and I saw the emotion my work evoked The more open I became the more positive reinforcement I received to push myself and work on getting my collections published It has been a very difficult and frustrating process and I hope that all these years of writing will pay off and I can finally feel like I have achieved something in my life I have had God by my side at all times and I know He will always be there waiting for me to ask Him for guidance and strength It is when I am ignorant and I am determined to self destruct that I am surrounded by evil There are forces that surround us that we cannot comprehend We can ride the waves of darkness until there is nothing left for us to live or we can believe that we will prosper through our faith in God I have done both with such consistency that I find myself in limbo I have chosen to dance with my demons because I believe in my heart that I could never defeat them in the end unless I have learned their ways There will come a time when I shall have to face my worst fears I am not sure what happens after we die and that is terribly frightening This is an anthology of my battles within my conscience that determine the decisions I make whether they be good or bad Again I hope this can touch a few people so that when I face my judgment I may be redeemed for the sins I have committed MIGUEL GARCIA currently resides in Pearland Texas and is working toward his Masters in Psychology In and out of trouble since the age of fifteen much of his teenage years were spent in hospitals jail and finally a year in prison After he was released he worked and went to school trying to make up for lost time vainly searching for a feeling of normality In his late twenties this became very difficult as he began struggling with hallucinations and violent behavior He had kept himself somewhat isolated but as his strange visions and unpredictable actions took over his life he pushed away anything normal and began what seemed like a personal quest for self destruction This project has been his only solace bringing him peace from the realization that he is finally doing something positive for himself and he hopes for others who feel the emptiness as he does As I have watched him over the past several years I have seen the worst of him and the best when I truly thought he had hit rock bottom only to see him pick himself up and start over again He is a paradox of a person standoffish and indifferent on the outside but for the person who takes the time to look behind the wall that he has built you will see the light that shines from him He has lost much with his illness and the choices he has made His decisions have been his own and he will be the first to say that its his life and he will live it as best he can Poetry is an intimate mountain of private thoughts and his goal is that his writing may help someone out there who feels that they are alone Through his poems he wants others to feel how important it is to have faith in a higher power to know you need not bow down to others who want you to feel inadequate and that a person can come back from anything and live a confident and fulfilling life *Dusty Springfield: Dancing with Demons* Penny Valentine, Vicki Wickham, 2024-06-04 The unvarnished portrait of a troubled volatile and gifted singer is told with

equal parts compassion and sensation a fast paced tell all Publishers Weekly Dusty Springfield led a tragic yet inspiring life battling her way to the top of the charts and into the hearts of music fans worldwide Her signature voice made songs such as I Only Want to Be with You Son of a Preacher Man and You Don t Have to Say You Love Me international hits In Dancing with Demons two of her closest friends Valentine and Wickham capture with vivid memories and personal anecdotes a Dusty most people never glimpsed in this no holds barred yet touching portrait of one of the world s true grand dames of popular music An affectionate yet candid biography The Guardian Through it all journalist Valentine and manager Wickham were there a very warm paean to the late singer Booklist Written by pioneering music journalist Penny Valentine and Springfield s longtime friend and manager Vicki Wickham Dancing with Demons lays bare the previously untold story of the private torments of a working class Irish girl named Mary Isobel Catherine Bernadette O Brien who burst onto the Swinging London scene as a hostess on the famous Ready Steady Go television show The Austin Chronicle

the very heart of the Village the artists haven They looked moodily as if caught by a storm mysterious one with dancing ghostly demons Their faces expressed tints of deep seated sorrow I know it quite good you cry deep within yourself unable to solve your problem Romeo alike I also know she was your muse a goddess of love and it makes me feeling so much sorrowful for you I really share your suffering my dear friend said one of them to another one visibly shaken His friend looked up with dampened eyes She was my only beauty my love greater than life with so many brilliantly sparkling tints on the heavenly canvas filled with stars She was my beloved angel looking after me my sweet protector my sense of life my only love She was a swan with wings spread wide with nothing to hide and everything to show a swan on the canvas of the sky above reflected in the waters of a quiet lake one performing a shining serenade of love with a carousel of many hues and shades She was my everlasting support my arm a gentle pillar and though all powerful one like all the pillars of the Acropolis of Athens supposed to stay eternally withstanding time as part of me she my heavenly angel of love Yet she s gone no chance to have her back Don t cry my dear friend the other man said I m your pillar now your best and caring friend for as long as you need it my dearest friend He took him in his very arms and held him so for long minutes stroking him gently on his arm while strangers in the cafe looked curiously at them Hangover by Thaddeus Hutyra Copyright Thaddeus Hutyra All Rights Reserved **The Dramatic Works of Molière: Mélicerte.
