Dancing After Hours

Eric Miles Williamson

Dancing After Hours:

Dancing After Hours Andre Dubus, 2011-07-20 A New York Times Notable Book of the Year From a genuine hero of the American short story comes a luminous collection that reveals the seams of hurt courage and tenderness that run through the bedrock of contemporary American life In these fourteen stories Dubus depicts ordinary men and women confronting injury and loneliness the lack of love and the terror of actually having it Out of his characters struggles and small failures and their unexpected moments of redemption Dubus creates fiction that bears comparison to the short story s greatest creators Chekhov Raymond Carver Flannery O Connor *Dancing After Hours* Andre Dubus, 1997 *Say It Hot, Volume II*: Eric Miles Williamson, 2014-10-15 *Say It Hot Volume II* Industrial Strength is a collection of essays on American poets fiction writers nonfiction writers and issues of interest to artists and academics A companion volume to *Say It Hot* these essays are brutally honest and acutely intelligent From the book *Literary authors these days no longer make livings off their work Their books are not to be found in bookstores and the books are rarely printed by major New York publishing houses No one reads their works except for other literary authors and the professors who are evaluating their tenure and promotion folders at the colleges and universities at which they are employed and it s a minor miracle if a literary book from a small press sells a thousand copies Fiction writers from wealth write about writing or they write about the ridiculous sufferings of the rich Fiction writers from the lower classes write about the primordial filth from which they ve physically escaped but from which they ll never mentally be able to leave behind Like war veterans people who ve fought it out in the miasma of poverty and blue collar hell can never get the stink out of their skins try as they may Just like people who haven t been to war can spot vets who have middle class people and the rich can spot people who ve grown up poor no matter what their position in life or the quality of their designer suits Those suits just don t fit right and the neckties make them fidget and sweat What the well heeled authors and the working class writers have in common is that they ve been trained not to pronounce moral judgment*

More Time Lee Clark Mitchell, 2019 *More Time* traces the careers of four short story writers Alice Munro Andre Dubus Joy Williams and Lydia Davis The focus is on the latter part of these writers careers and how each author has developed and crafted a late style *Lyrics in Search of Music* Terry L. Rath, 2018-11-20 I have composed the following collection of poetry for more than four decades This is my second published book of verse Once again it has been inspired by people places and life episodes that have been a large part of my life Writing has become a great passion for me as it occupies such a large part of my life In this book I cover several darker subjects from the less popular side of life that I didn t feature in depth in my first book Working in downtown Denver for more than ten years I encountered people that were struggling to just survive rather than actually living life My goal in compiling this collection is to present a strong mix of poetic subjects Terry L Rath

each of whom has published at least one significant book of fiction between 1970 and 1994 *The City Aroused* Damon Scott,2024-01-02 A history of San Francisco that studies change in the postwar urban landscape in relation to the city s queer culture The City Aroused is a lively history of urban development and its influence on queer political identity in postwar San Francisco By reconstructing the planning and queer history of waterfront drinking establishments Damon Scott shows that urban renewal was a catalyst for community organizing among racially diverse operators and patrons with far reaching implications for the national gay rights movement Following the exclusion of suspected homosexuals from the maritime trades in West Coast ports in the early 1950s seamen s hangouts in the city came to resemble gay bars Local officials responded by containing the influx of gay men to a strip of bars on the central waterfront while also making plans to raze and rebuild the area This practice ended when city redevelopment officials began acquiring land in the early 1960s Aided by law enforcement they put these queer social clubs out of business replacing them with heteronormative desexualized land uses that served larger postwar urban development goals Scott argues that this shift from queer containment to displacement aroused a collective response among gay and transgender drinking publics who united in solidarity to secure a place in the rapidly changing urban landscape *Investigation of the Assassination of President John F.
