dating and always breaking up with them within a few days of their first time together Randi secretly longed to find a way to start standing up for herself and living life on her own terms She wanted to find her dream job and break her bad relationship cycle but fear kept holding her back James Hunter lived a pretty great life After an idyllic childhood on the family homestead in the small town of Heart s Destiny Texas James had completed his college degree before going on to act as a bad boy of professional wrestling He teamed with his brother as the Dangerous Twins an outlaw biker tag team for the Galactic Wrestling Association He was living the dream traveling the world while working at a job he loved The only drawback was the feeling of jealousy he had at seeing the married wrestlers who traveled with their families At twenty five he was starting to feel like it was time to cut back on the nights out at bars and start settling down to build a family Random one night stands weren t fulfilling anymore but it was hard to find The One when he was traveling three hundred and twenty days a year and not in one place long enough to really start a relationship When good girl meets bad boy sparks fly Fate seemed to be pushing him in the right direction the night James met Randi It was instalove for the pro wrestler and the sheriff s daughter They fell hard and fast for each other but could they maintain their love when his travel schedule reduced them to a mostly texting romance Or could they find a way to be together more than the nine days they got together for his Thanksgiving vacation and her sister s wedding to his other best friend He was the dirty talking alpha man of her dreams and she was the sexy sweet woman of his When a pregnancy mix up pitted the lovebirds against her overprotective father things looked bleak for their future together Would James s love be enough to help Randi find and accept who she really was deep inside Would he be able to pull back on his alpha tendency to take over her life and protect her from the world long enough for the wonderful woman inside her to shine when she s ready to show her true self to the world When all is said and done will James and Randi finally get their happily ever after

Getting Played Emma Chase,2019-10-08 A magnificent new romance by New York Times bestselling author Emma Chase Dean Walker is all about keeping life simple He s effortlessly talented and intelligent spending his summers playing drums in the local band and the rest of the year teaching high school in the same Jersey town where he grew up He likes his love life simple too enjoying the commitment free hook ups his good looks and sexy charm have always made oh so easy Then he meets Lainey Burrows And his simple easy life gets turned upside down One wild one night stand was all it was ever supposed to be so Lainey is

shocked when she discovers that her sizzling summer fling is also her son's new math teacher. But that's nothing compared to the most unexpected twist of all: their hot hook-up left Lainey knocked up and now they're about to become parents. Together, what ensues is an addictive, insatiable, sweet and tender romance that won't be simple, but it will be more than worth the fight. This story was fast-paced, wickedly sharp, and brought to life by supremely stellar narration. It's another unputdownable story I never wanted to end.

Jessica Angie and Jessica's Dreamy Reads: *Getting Played* is equal parts funny, sexy, sweet, and moving, and is superbly narrated by the well-matched team of Andi Arndt and Zachary Webber, who deftly portray both the lighthearted, humorous banter and the more emotional dialogue and intimate moments. The story pulled me in from the start and kept me thoroughly engaged and entertained until its sigh-worthy, romantic happily ever after, and it is guaranteed to give the listener all the feels.

Mary Dube Frolic Media: *Getting Played* is a downright panty-melting sweep-you-off-your-feet audiobook. Throw in the dynamic narration of Andi Arndt and Zachary Webber that just brought the storyline to a whole new level of bliss. Get ready to have your audio dreams come to life.

Everything has a price. In the kingdom of Axaria, a darkness has fallen. After defeating the evil mother who summoned an immortal demon to kill her newly coronated Queen Asterin, Faelenhart should have every reason to celebrate. Her kingdom is safe, forbidden magic eradicated, and her friends are alive. Except Asterin's triumph has come at a devastating cost: forced to choose between a lifelong friend and true love, she's lost both. But the shadows in Axaria have begun to stir once again, and no one is more starved for vengeance than Asterin. Yet it soon becomes clear that the shadows plaguing her kingdom are just the beginning. Another realm coexists with the mortal world: the beautiful, nightmarish Immortal Realm, ruled by the wicked God of Shadow, King Eoin. When their paths entwine, Asterin realizes that Eoin possesses exactly what and who she seeks most. And the fates of all those that she holds dear—Orion, her missing Guardian; Luna, the friend she could not save; Harry, the demon who saved them all; and Quinlan, her beloved, broken prince—ultimately rest in the god's hands. But in a world of magic, not everyone is always as they seem. When shocking discoveries threaten everything, and everyone that Asterin has sworn her life to protect, she won't be the only person forced to make a choice—a choice that will change the mortal world forever. And maybe even destroy it.
