Dangerous Liaisons:

Dangerous Liaisons Pierre Choderlos de Laclos, 2023-04-26 *Dangerous Liaisons* Les Liaisons dangereuses is an early French novel by Pierre Choderlos de Laclos first published in four volumes in 1782 At the time of its publication novels were a new literary form and Laclos chose to present his story in an epistolary style composing the novel solely of a series of letters written by the major characters to each other It was first translated into English in 1812 and has since become universally regarded as one the most significant early French novels The story is framed around the Marquise de Merteuil and the Vicomte de Valmont two narcissistic French aristocrats and rivals who enjoy games of seduction and manipulation and who most especially enjoy one upping each other The letters they send to each other portray an interconnected web of seduction revenge and malice and are interspersed with the more innocent letters of their victims *Dangerous Liaisons* has often been seen as a depiction of the corruption and depravity of the French nobility shortly before the French Revolution thereby making a negative statement about the Ancien R gime But it s also a depiction of the timeless problems surrounding sex and love and a realistic portrayal of desires that are often beyond our control As Laclos enjoyed the patronage of Louis Philippe II the Duke of Orli ans and as other royalist and conservative figures like Queen Marie Antoinette enjoyed the book it s likely it wasn t seen as a morality tale until after the French Revolution

Dangerous Liaisons Pierre Choderlos de Laclos, 2022-11-13 In *Dangerous Liaisons* Pierre Choderlos de Laclos presents a masterful epistolary novel that delves into the intricate web of seduction manipulation and moral ambiguity among the French aristocracy of the late 18th century The narrative unfolds through a series of letters exchanged by the cunning Marquise de Merteuil and the dissolute Vicomte de Valmont whose games of love and treachery expose the darker sides of human nature and the societal constraints of their time Laclos employs a sharp revealing prose style that encapsulates the elegance and hypocrisy of aristocratic life simultaneously offering a critique of the libertine values that pervade their interactions The book stands as a powerful commentary on gender politics virtue and the consequences of deceit resonating well beyond its historical context Pierre Choderlos de Laclos a French army officer and intellectual penned this provocative novel in 1782 drawing inspiration from his own observations of the elite society around him Trained in the art of rhetoric and experienced in the intricacies of social maneuvering Laclos infused his characters with a psychological depth that reflects both personal and societal conflicts His work emerged during a period of Enlightenment thought where questions of morality freedom and human behavior were increasingly under scrutiny setting the stage for modern realism *Dangerous Liaisons* is a timeless masterpiece that continues to be relevant in its exploration of power dynamics and human relationships It is a compelling read for those intrigued by psychological complexity and the moral dilemmas that arise from desire and manipulation Scholars students and casual readers alike will find within its pages not only a thrilling narrative but also a rich source for understanding the complexities of human behavior and societal structures In this enriched edition we have carefully created added value for your reading
