## **Dangerous Obsessions:**

**Dangerous Obsessions** Tracy Lewis, **Murasaki Shikibu: The Tale of Genji** Richard Bowring, 2004 Murasaki Shikibu's *The Tale of Genji* written in Japan in the early eleventh century is acknowledged to be one of Japan's greatest literary achievements and sometimes thought of as the world's first novel. It is also one of the earliest major works to be written by a woman. This introduction to the *Genji* sketches the cultural background, offers detailed analysis of the text, discusses matters of language and style, and ends by tracing the history of its reception through nine centuries of cultural change. This book will be useful for survey courses in Japanese and World Literature. Because *The Tale of Genji* is so long, it is often not possible for students to read it in its entirety, and this book will therefore be used not only as an introduction but also as a guide through the difficult and convoluted plot.

*Will They Do it Again?* Herschel Prins, 2002-01-04 Focus in the media on the risks posed to ordinary people has become increasingly strong in recent years, particularly on those risks popularly perceived to be posed by the mentally ill. But how justified is this concern? How do we best manage so-called dangerous people? In *Will They Do It Again*, Herschel Prins considers the issue of public protection within a broad context of risk in society, generally examining the concerns arising in contemporary society from dealing with uncertainty. It is argued that public fear over the danger posed by the mentally ill is at odds with the evidence, and that much of the concern is focused on a small number of high-profile cases. Prins goes on to examine such cases where management of the mentally ill has failed and sets out suggestions for improvements in practice. *Will They Do It Again* cuts through popular misunderstanding and media hype over risk to give a clear, unbiased picture of the real risks to society from the mentally ill and how best they can be contained and managed, and will prove invaluable to a range of practitioners involved in the fields of criminal justice and psychiatry.

**Internal Family Systems Therapy for OCD** Melissa Mose, 2025-09-08 *Internal Family Systems Therapy for OCD* offers a groundbreaking integration of the compassionate parts-based IFS approach with evidence-based OCD treatments. This innovative guide introduces IFS for OCD and demonstrates Self-led Exposure and Response Prevention, Self-led ERP, a unique approach that maintains the therapeutic effectiveness of treatments that work while enhancing client engagement and facilitating enduring recovery. This approach helps clients develop healing relationships with the protective parts driving the obsessions and compulsions that perpetuate OCD. Through detailed case examples and practical techniques, clinicians learn to help clients access their inherent self-leadership, transform their relationship with uncertainty and fear, and achieve not just symptom reduction but internal balance, harmony, and perspective. This vital resource bridges the gap between relational psychotherapy and behavioral interventions, offering hope for clients who haven't fully responded to conventional treatments. This invaluable book is essential reading for family therapists and clinical psychologists who are interested in IFS and treat clients with OCD and other anxiety disorders.

**Stalking, Threatening, and Attacking Public Figures** J. Reid Meloy, Lorraine Sheridan, Jens Hoffmann, 2008-06-12 Public figures require attention, whether from a

constituency who votes them in or out of office shareholders who decide their economic benefit to the corporation or fans who judge their performances However on the periphery of this normal attention resides a very real risk that of a much smaller group of individuals who lack the ability to discriminate between their own private fantasies and the figure's public behavior They may be personally insulted by perceived betrayal fanatically in love due to a perceived affectionate or sexual invitation or simply preoccupied with the daily life of the public figure Such individuals may fixate and do nothing more Others communicate or approach in a disturbing way A few will threaten And on rare occasions one will breach the public figure's security perimeter and attack Stalking Threatening and Attacking Public Figures is a comprehensive survey of the current knowledge about stalking violence risk and threat management towards public figures With contributions from forensic psychologists and psychiatrists clinicians researchers attorneys profilers and current and former law enforcement professionals this book is the first of its kind international in scope and rich in both depth and complexity The book is divided into three sections which in turn focus upon defining explaining and risk managing this increasingly complex global reality Chapters include detailed case studies analyses of quantitative data reflections from attachment theory and psychoanalytic thought descriptions of law enforcement and protective organization activities mental health and psychiatric categorizations and understandings consideration of risk assessment models and variables victim perspectives and others

**Offenders, Deviants or Patients?** Herschel Prins, 2015-08-17 *Offenders, Deviants or Patients* provides a practical approach to understanding both the social context and treatment of mentally disordered offenders Taking into account the current public concern often heightened by media sensationalism it addresses issues such as sex and historic sex offending hate crime homicide and other acts of serious bodily harm This fifth edition is fully updated and incorporates the latest research and reflects recent changes in law policy and practice including DSM V criteria groundbreaking work on neuro physiological aspects of psychopathy the Coroners and Justice Act Using new case examples Herschel Prins draws on his own expertise and experience to examine the relationship between mental disorders and crime and looks at the ways in which it should be dealt with by the mental health care and criminal justice systems *Offenders, Deviants or Patients* is unique in its multidisciplinary approach and will be invaluable to all those who come into contact with serious offenders or those who study crime and criminal behaviour

**Offenders, Deviants Or Patients?** Herschel A. Prins, 2005 Aimed specifically at understanding the social context of the serious criminal offender who is deemed to be mentally abnormal this third edition takes into account major changes in the law attitudes research findings and procedures

*Dangerous Obsessions* Jamie Greenfield, 2020-07-10 Maisie West was a typical teenager from a broken family She along with her twin sister had made the best life for themselves and their dad That all ends one day when a simple letter arrives in the mail In all the threatening notions made in the letter Maisie realizes it is up to her to solve this puzzle in less than a week In this riveting story of life love and loss we follow Maisie through her coming of age trial by fire As we explore her life live through her decisions

experience the profound joys of love and sorrows of loss we will soon find out if Maisie has what it takes to survive the coming week and also manage to save those closest to her

**Skin and Venereal Diseases** ,1903    **Sajous's Analytic Cyclopaedia of Practical Medicine** Charles Eucharist de Medicis Sajous,1912    **Skin and Venereal Diseases, Nervous and Mental Diseases** ,1903    **Confessions of Two Brothers** John Cowper Powys,Llewelyn Powys,1916

**Obsessive-compulsive Disorder** Jonathan S. Abramowitz,2006 Based on decades of scientific research and clinical refinement cognitive behavioral therapy using the techniques of exposure and response prevention has helped countless individuals with OCD overcome debilitating symptoms and live fuller more satisfying lives From leading expert Jonathan S Abramowitz this volume opens with an overview of the diagnosis and assessment of OCD and delineates a research based conceptual framework for understanding the development maintenance and treatment of obsessions and compulsions The core of the book is a highly practical treatment manual packed with helpful clinical pearls therapist patient dialogs illustrative case vignettes and sample forms and handouts Readers are equipped with skills for tailoring exposure and response prevention techniques for patients with different types of OCD symptoms including washing checking ordering obsessions and mental rituals The book which also addresses common obstacles in treating individuals with OCD represents an essential resource for anyone providing services for individuals with anxiety disorders

### **Dangerous Obsessions Introduction**

In today's digital age, the availability of Dangerous Obsessions books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Dangerous Obsessions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Dangerous Obsessions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Dangerous Obsessions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Dangerous Obsessions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Dangerous Obsessions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Dangerous Obsessions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Dangerous Obsessions books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Dangerous Obsessions books and manuals for download and embark on your journey of knowledge?

### FAQs About Dangerous Obsessions Books

1. Where can I buy Dangerous Obsessions books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Dangerous Obsessions book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Dangerous Obsessions books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Dangerous Obsessions audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Dangerous Obsessions books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
