Dangerous Sex:

Dangerous Sex Offenders, 1999 This is a task force report on dangerous sex offenders Current Perspectives on Sex Crimes Ronald M. Holmes, Stephen T. Holmes, 2002 A combination of reprinted articles most published during the past two years and original contributions solicited for the anthology offer a snapshot of the criminal justice understanding of various crimes relating to or involving sex After a basic overview of sex in the 21st century they look at nuisance sex behaviors and crime homosexuality transvestism and transsexualism juvenile sex crimes and behaviors of offenders and victims dangerous sex crimes rape and special issues and concerns **Sex, Crime and Morality** Sharon Hayes, Belinda J. Carpenter, Angela Dwyer, 2012 Over the last few decades there has been a marked increase in media and debate surrounding a specific group of offences in modern Democratic nations which bear the brunt of the label crimes against morality Included within this group are offences related to prostitution and pornography homosexuality and incest and child sexual abuse This book examines the nexus between sex crime and morality from a theoretical perspective This is the first academic text to offer an examination and analysis of the philosophical underpinnings of sex related crimes and social attitudes towards them and the historical anthropological and moral reasons for differentiating these crimes in contemporary western culture The book is divided into three sections corresponding to three theoretical frameworks Part 1 examines the moral temporality of sex and taboo as a foundation for legislation governing sex crimes Part 2 focuses on the geography of sex and deviance specifically notions of public morality and the public private divide Part 3 examines the moral economy of sex and harm including the social construction of harm Sex Crime and Morality will be key reading for students of criminology criminal justice gender studies and ethics and will also be of interest to justice professionals **The Dangerous Sex** Hoffman R Hays, 2023-07-07 First published in 1966 The Dangerous Sex shows how the irrational concept of the dangerous sex evolved and how it was and is used by man to maintain his dominance He examines sexual practices and beliefs marriage customs and rituals and social behaviour in every society and every age from pre historic times to the present day The result is a revealing picture of the deep seated male hostility that generates the way of the sexes and has fed it throughout human history It is also a blazing indictment of this ingrained psycho social pattern as it unconsciously destroys and disrupts huge areas of human happiness In this enquiry into misogyny H R Hays suggests that men must face their own compulsions before a true and balanced relation between the sexes is achieved This book therefore throws a new light on the problems of feminism the feminine mystique and the whole controversy concerning the place of women in society and will be of interest to students of literature gender studies anthropology and psychology **Biology of Sex for Parents and Teachers** Thomas Walton Galloway, 1922 The Dangerous Sex Hoffman R. Hays., 1972 **DANGEROUS SEX** Hoffman Reynolds Hays, 2023 First published in 1966 The Dangerous Sex shows how the irrational concept of the dangerous sex evolved and how it was and is used by man to maintain his dominance He examines sexual practices and beliefs marriage customs and rituals and social behaviour in every

society and every age from pre historic times to the present day The result is a revealing picture of the deep seated male hostility that generates the way of the sexes and has fed it throughout human history It is also a blazing indictment of this ingrained psycho social pattern as it unconsciously destroys and disrupts huge areas of human happiness In this enquiry into misogyny H R Hays suggests that men must face their own compulsions before a true and balanced relation between the sexes is achieved This book therefore throws a new light on the problems of feminism the feminine mystique and the whole controversy concerning the place of women in society and will be of interest to students of literature gender studies anthropology and psychology
