Hutchings** François de Sales (st.),1882 **The London Gazette** ,1916 The Air We Breathe Glen Scrivener,2022-05-01 Discover the Christian roots of the values we prize in western society Is Christianity history Or is Christian history the deepest explanation of the modern world Today in the west many consider the church to be dead or dying Christianity is seen as outdated bigoted and responsible for many of society s problems This leaves many believers embarrassed about their faith and many outsiders wary of religion But what if the Christian message is not the enemy of our modern Western values but the very thing that makes sense of them In this fascinating book Glen Scrivener takes readers on a journey to discover how the teachings of Jesus not only turned the ancient world upside down but continue to underpin the way we think of life worth and meaning Far from being a relic from the past the distinctive ideas of Christianity such as freedom kindness progress and equality are a crucial part of the air that we breathe As author Glen Scrivener says in his introduction The extraordinary

impact of Christianity is seen in the fact that we don't notice it. This is a book for both believers and sceptics giving Christians confidence to be open about their faith and showing non-Christians the ways in which the message of Jesus makes sense of their most cherished beliefs. Whoever you are you'll gain a deeper appreciation for the values you hold dear as you discover the power and profundity of Jesus and his revolution. **A Dangerous Devotion** Beacon Hill Press of Kansas City, Carol Anne Eby, 2004-02-01
