Dangerous Emotions

Honoré de Balzac

Dangerous Emotions:

Dangerous Emotions Alphonso Lingis, 2000-03-15 Alphonso Lingis is an original among American philosophers An eloquent and insightful commentator on continental philosophers he is also a phenomenologist who has gone to live in many lands *Dangerous Emotions* continues the line of inquiry begun in *Abuses* taking the reader to Easter Island Japan Java and Brazil as Lingis poses a new range of questions and brings his extraordinary descriptive skills to bear on innocence and the love of crime the relationships of beauty with lust and of joy with violence and violation He explores the religion of animals the force in blessings and in curses When the sphere of work and reason breaks down and in catastrophic events we catch sight of cosmic time our anxiety is mixed with exhilaration and ecstasy More than acceptance of death can philosophy understand joy in dying Haunting and courageous Lingis's writing has generated intense interest and debate among gender and cultural theorists as well as philosophers and *Dangerous Emotions* is certain to introduce his work to an ever broader circle of readers

Breaking the Grip of Dangerous Emotions Janet Maccaro, 2005-08 Maccaro encourages readers to stop letting dangerous emotions rob them of their joy as they discover the truth about worry and stress and they learn how to replenish their physical bodies with cutting edge nutritional supplements *Overcoming the Seven Deadly Emotions*

Michelle Borquez, 2008-09-01 Speaker and writer Michelle Borquez knows how it feels to be controlled by your emotions As a young woman she struggled with the same issues many other women face being overwhelmed with fear driven by jealousy or shamed by guilt Strong emotions the ones we all deal with can lead to deadly results when they are not controlled by the Holy Spirit But Michelle also learned how God can use the emotions He gave us to help us live the way He intended in peace joy and freedom With extensive research biblical study and personal interviews Borquez shares with readers how to Surrender their emotions to God and allow Him to redeem them Embrace God's plan for positive emotional living Find new and healthy ways to deal with previously damaged relationships Here is a practical and biblical guide to handling emotions and discovering God's power and help to live victoriously *Dangerous Emotions*, 1997

Protection from Dangerous Emotions Janice Lynn Weston, 2018 Objective To identify the central elements in depressed clients process of self interruption of emotion SIE in an experiential therapy session Research Design A two study multi method research design was used to examine both the overt performance and subjective experience of SIE Methods The first study involved a task analysis Greenberg 2007 of the performance of SIE by

10 clients in an experiential therapy session A marker of SIE was defined Parameters were defined that demarcate an SIE event in a therapy session where a client interrupted their experience of emotion Fourteen SIE events were subjected to a task analysis From this analysis a performance model of client SIE was conceptualized The second study involved a quasi grounded theory analysis Glaser Strauss 1967 of Interpersonal Process Recall IPR interviews with depressed therapy clients about the in session experience of emotion when self interruption occurred Thirteen participants IPR accounts obtained while they watched a videotaped segment of a therapy session containing a marker of self interruption of emotion were subjected to a grounded analysis A hierarchical categorical model of the subjective experience of SIE was conceptualized that was crowned by a core category Protection from Dangerous Emotions Results Models of performance and subjective experience of SIE were conceptualized compared and integrated A final integrative process model of SIE was proposed In this model it was explained that SIE occurred when the clients experience of an emotionally vulnerable sense of self precipitated protective secondary reactive emotions and or behaviours of emotional control and avoidance Five features of emotional vulnerability were conceptualized Two patterns of self interruption of emotion were identified In the first dominant pattern clients moved through four distinct phases that culminated in limited awareness of emotional experience The second minor pattern did not include awareness of reactive secondary emotion Conclusions The process of self interruption of emotion can be identified by specific markers in a therapy session Key tasks for therapists when working with clients who interrupt emotion in session are facilitating the regulation of the clients experience of emotional vulnerability as defined here and reactive secondary emotions Suggestions for further research on SIE are offered

Social and Moral Emotions. The Positive and Negative Consequences of Contempt Duc Minh Vu,2021-06-02 Essay from the year 2021 in the subject Psychology Personality Psychology grade 1 7 University of Kent language English abstract This essay will examine the social and moral function of the emotion contempt along with its positive and negative consequences for society in general as well as in specific situations In order to properly discuss and investigate in which contexts contempt is a helpful or harmful emotion emotion itself must be examined along with its functions Paul Ekman defines emotion as the primary function to mobilize the organism to deal quickly with important interpersonal encounters Applied to a social setting the key function of emotions is to solve problems which are important for social relationships Thus emotions play have a functional role in guiding individuals in human interactions However emotions can also lead a person to irrational action and are even almost guaranteed to be wrong sometimes
